II.1.4) Short description

NHS Hampshire and Isle of Wight ICB will be hosting a virtual Market Engagement Event, to discuss Data Quality and Clinical Decision Support Services/systems. The Event will be held virtually via Teams on 20th January 2026 at 1500hrs

The Purpose of this session is to discuss the ICB's requirement to procure a Data Quality & Decision support service:

- Provide an update on the current contractual position and outline the indicative timeline for forthcoming procurement opportunities.
- Share and discuss the ICB's requirements (specification and functions required) from the product and/or services potentially being procured
- Assess the market position and determine whether all these functionalities and services can be delivered by a single supplier.
- Discuss and assess where potential suppliers anticipate there may be a gap in any products/services they can provide.
- Understand market appetite and capability to develop solutions and timescales involved.

The event will also include an opportunity for participants to raise questions. Following the

session, a Request for Information (RFI) will be issued, accompanied by the draft service specification for market feedback.
