Award

## Tankering Services

ANGLIAN WATER SERVICES LIMITED

UK6: Contract award notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-085005

Procurement identifier (OCID): ocds-h6vhtk-05104d ([view related notices](#))

Published 19 December 2025, 3:09pm

## Scope

### Description

The provision of Tankering services for planned and emergency work plus Tankering support during any incidents. This would mean provision of larger numbers of tankers at very short notice. Tankering can be anywhere across the Anglian Water region and an estimated annual spend of approx £16 m. All awarded companies are awarded to collaborate to promote efficiencies.

### Commercial tool

Establishes an open framework

A series of frameworks with substantially the same terms. Awarded suppliers are carried over and new suppliers can bid.

---

## **Lot 1. North East**

### **Description**

Anglian Water is initiating a single-stage procurement process for the provision of liquid tankering services across its operational region. This framework will cover all tankering requirements, including emergency response, where suppliers must be capable of deploying a large number of tankers at very short notice. This lot is for North East geographical area only, further details about the LOTS can be found in documents provided in the event.

---

## **Lot 2. South East**

### **Description**

Anglian Water is initiating a single-stage procurement process for the provision of liquid tankering services across its operational region. This framework will cover all tankering requirements, including emergency response, where suppliers must be capable of deploying a large number of tankers at very short notice. This lot is for South East, all relevant information can be found in documents provided within the event.

---

## **Lot 3. North West**

### **Description**

Anglian Water is initiating a single-stage procurement process for the provision of liquid tankering services across its operational region. This framework will cover all tankering requirements, including emergency response, where suppliers must be capable of deploying a large number of tankers at very short notice. This lot is for North West, all relevant information can be found in documents provided within the event.

---

## **Lot 4. South West**

### **Description**

Anglian Water is initiating a single-stage procurement process for the provision of liquid tankering services across its operational region. This framework will cover all tankering requirements, including emergency response, where suppliers must be capable of deploying a large number of tankers at very short notice. This lot is for South West, all relevant information can be found in documents provided within the event.
