- Government Procurement Agreement (GPA)

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - intellectual property or exclusive rights

The consumables are proprietary to Fresenius Dialysis Machines and are specially designed and approved for use with this equipment. These machines operate using a closed system that requires brand-specific consumables to ensure clinical safety, performance reliability, and compliance with manufacturer guidelines.

Using non-compatible consumables could compromise machine function, increase the risk of patient harm, and void equipment warranties.
