#### **II.2.4) Description of the procurement**

The provider will provide an additional staff MRI scanner and generator, on the Maelor Hospital site Wrexham for an approximate period of 12 weeks from January 2026 until the 31st March 2026. The scanner will operate 12 hours per day 7 days a week.

The requirement is to allow the health board to maintain its current level of capacity and to provide additional capacity to support the delivery of local and national waiting time targets.

The provider will be responsible for all aspects of routine staff management for all their employees engaged on behalf of the Health Board. This will include rostering staff to the agreed schedule, ensuring maintenance of competence, compliance with mandatory training requirements, sickness management and disciplinary procedures.

The provider will take responsibility for the patient care whilst the provider is performing

their contractual duties. The provider will ensure that they follow any local scanning protocols. The provider will be liable for the consequences of any misdiagnosis or harm arising directly from failure to follow an agreed protocol, and any associated costs as a result of that misdiagnosis or harm (e.g. putting things right, litigation, and compensation).
