- UKL21 - Monmouthshire and Newport

- UKL16 - Gwent Valleys

---

## Other information

### Conflicts assessment prepared/revised

Yes

---

## Procedure

### Procedure type

Direct award

### Direct award justification

Single supplier - intellectual property or exclusive rights

Cascination is the only supplier who in addition to targeting and being guided where to insert the needle the equipment fuses together the imaging technologies so the radiologist has visuals of multiple modality images to identify lesions in one go (some lesions are only visible on MRI for example) and allows post treatment margin assessment - this allows the user to confirm the destruction of the lesion post procedure.
