### **Scope**

### **Reference**

RBGKEW1499

### **Description**

The Royal Botanic Gardens, Kew is seeking a provider of IT skills training services to enhance digital capability across the organisation. The appointed provider will offer access to high-quality online training courses that are aligned with Kew's current and emerging technology needs, supporting the development of technical skills at all levels.

This procurement directly underpins Kew's strategic technology roadmap by:

- Building internal capability to implement, manage and optimise digital and IT solutions
- Reducing reliance on external support for routine technical tasks
- Enabling informed, data-driven decision-making across digital and IT programmes

Investing in structured IT skills development will ensure that Kew's workforce is equipped to adopt new technologies effectively, improve operational efficiency, and support the organisation's long-term digital transformation objectives.
