Contract 1. Security Services

This contract will not be signed.

Date of decision not to sign contract

16 December 2025

Reason for not signing contract

Following a comprehensive review of its requirements, the Council has resolved not to award the contract under the current procurement exercise and to formally abandon the process.

As per the guidance document (ITT), the Council reserves the right to cancel the tender process at any point. The Council is not liable for any costs resulting from any cancellation of the tender process nor for any other costs incurred by those tendering for this Contract.

This decision has been taken because it has become apparent that the pricing model, specification, contract, and quality criteria need to be better aligned to operational requirements.

The Council intends to extend its existing Security contracts on an interim basis while initiating a new procurement exercise. This revised opportunity will be advertised in the New Year.
