### **Changes to notice**

This notice has been edited. The [previous version](#) is still available.

Thank you to those of you that attended the parking supplier event in early 2025.

We can confirm that we intend to go out to tender in early 2026 with a contract start date of September 2026.

The intention is to run a mini competition via the Crown Commercial Services Traffic and Technology framework (lot 3).

### **Scope**

## **Description**

London Borough of Hounslow is undertaking a strategic review of its Enforcement services which operate in the public realm - including Parking, Environmental and Licensing Enforcement, Waste Services, CCTV Monitoring, and elements of Trading Standards and Regulatory Service.

This work forms part of the Council's broader strategic objectives to modernise public service delivery, improve customer outcomes, support environmental goals, and achieve best value.

The Council seeks to engage with the market to assess the range of delivery options and potential to work in partnership with third-party suppliers to deliver innovative, future-proof, effective services that deliver best value for residents.

## **Engagement**

### **Engagement deadline**

8 August 2025

### **Engagement process description**

Initial Market Engagement Notice, including questionnaire, for all interested providers to complete and return by 8th August 2025.

Following this it is likely that selected suppliers will be invited for an informal conversation around the service they currently (or potentially could) supply in this area.

Formal procurement process (if required) to begin in Autumn 2025, with a view to award in Summer 2026, for services to commence late 2026 / early 2027.
