## **Section VI. Complementary information**

### **VI.3) Additional information**

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

A sub-contract clause has been included in this contract. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

The Contracting Authority does not intend to include any community benefit requirements in this contract for the following reason:

It is not thought to be feasible for operators to offer community benefits in a tender of this nature. This does not however prohibit operators from voluntarily offering such benefits but would be outwith the requirements of this contract.
