Scope

Reference

ATT-005

Description

Provision of temporary agency staffing services for educational settings across 21 academies within the Academy Transformation Trust. Services include teaching, support, and administrative roles. Suppliers must provide qualified and vetted staff in compliance with safeguarding and employment standards.

The contract values stated above are estimated. Agency staffing is a fluctuating commodity, and actual spend may vary depending on demand across the Trust's

academies during the contract term. These figures represent anticipated expenditure for planning purposes only and do not constitute a guaranteed level of spend.

Commercial tool

Establishes a framework

Lot 1. National Supply of Temporary Agency Staff

Description

This lot covers the provision of temporary agency staffing services across all academies within the Academy Transformation Trust, including all regions. Suppliers awarded this lot will be responsible for providing temporary staff to any of the 21 academies nationwide. The lot is intended for suppliers with the capacity to deliver services on a national scale, ensuring timely and efficient provision of qualified staff across multiple locations.

Lot 2. Supply of Temporary Agency Staff - West Midlands

Description

This lot specifically covers the supply of temporary agency staffing services for academies located in the West Midlands region. Suppliers awarded this lot will be expected to provide qualified temporary staff for roles such as teaching, support, and administrative positions within the academies located in this area. The lot is designed for suppliers with a strong regional presence and the ability to quickly mobilize staff within the West Midlands.

Lot 3. Supply of Temporary Agency Staff - East of England

Description

This lot is focused on the East of England region, covering academies in that geographical area. Suppliers awarded this lot will be required to provide temporary agency staffing services for teaching and support roles across the academies in this region. Suppliers should be capable of meeting the specific needs of schools in the East of England, offering flexible staffing solutions to address short-term requirements.
