Scope

Reference

CRN/25/14

Description

DVLA requires a Merchant Acquirer (MA) service to support the secure processing, authorisation, settlement and reporting of credit and debit card transactions across DVLA's online, telephony and automated payment channels. The service must support cardholder-present transactions, comply with PCI DSS standards, integrate with DVLA's Payment Gateway, and provide the required management information, reconciliation and chargeback handling.

The contract will support DVLA services including Electronic Vehicle Licensing (EVL), personalised registrations, driver licensing, tachograph services and other payment-reliant transactions. No volumes are guaranteed and projected volumes are indicative only.

The contract will be let for 5 years with an option to extend for up to 2 additional years (5+2). The procurement is being conducted via the Open Procedure under the Procurement Act 2023.

Total value (estimated)

- £170,000,000 excluding VAT
- £185,000,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 June 2027 to 31 May 2032
- Possible extension to 31 May 2034
- 7 years

Description of possible extension:

One extension period: up to 24 months (2 years)

Maximum total contract length: 7 years (5 + 2)

Main procurement category

Services

CPV classifications

- 66110000 - Banking services
- 66172000 - Financial transaction processing and clearing-house services
