Procedure

Procedure type

Direct award

Direct award justification

Additional or repeat goods, services or works - extension or partial replacement

In prior years, the previous competitive procurement exercise was not successful and received no bids.

The audit market is known to be nationally problematic, and there are a limited number of

suppliers who would be capable of supporting an organisation the size of STH.

We have undertaken a market review to assess supplier appetite and capability to deliver services under NHS terms and conditions.
