### **Framework operation description**

Market engagement led to the identification of four potential providers who could deliver the requirement. A Request for Quotation (RFQ) was advertised to those four potential providers. One provider submitted a response to the RFQ, and an evaluation and moderation exercise were completed. The provider fulfilled the scoring requirements and was to be awarded the requirement under the Framework Agreement as a Call-off. An Exception was completed and approved. The provider training schedule includes approximately three full-day sessions (annually), as well as quarterly half-day sessions. The provider is expected to be prepared to deliver additional sessions throughout the contract period on an ad hoc basis, although there is no guarantee of work.

Payment will be made per 1 full-day or 1 half-day session as agreed below:

Full day Training/Induction Session £3,857 (includes delivery costs, materials, and venue hire)

Half-Day Refresher Session £2,769 (includes all delivery costs, materials, and venue hire)
