## Articles

### Now it is hereby agreed as follows

#### Article 1: Contractor's obligations

The Contractor shall carry out and complete the Works in accordance with the Contract Documents.

#### Article 2: Contract Sum

The Employer will pay the Contractor at the times and in the manner specified in the Conditions the VAT-exclusive sum of

Ninety eight thousand, two hundred and forty six pounds  
and fifteen pence (£98,246.15) ('the Contract Sum')

or such other sum as becomes payable under this Contract.

#### Article 3: Architect/Contract Administrator

For the purposes of this Contract the Architect/Contract Administrator<sup>[7]</sup> is

Tracey Foster

of Arawak Walken H.A, Margaret House,  
Manor Street, Manchester, M12 6HE

or, if he ceases to be the Architect/Contract Administrator, such other person as the Employer nominates (such nomination to be made within 14 days of the cessation). No replacement appointee as Architect and/or Contract Administrator shall be entitled to disregard or overrule any certificate, opinion, decision, approval or instruction given by any predecessor in that post, save to the extent that that predecessor if still in the post would then have had power under this Contract to do so.

[7] Unless the person appointed by or under Article 3 is entitled to use the title 'Architect' under the Architects Act 1997, the term 'Architect' shall so long as that person holds that post be deemed deleted throughout this Contract. Any appointee as Contract Administrator should be suitably experienced for the role. Irrespective of experience or qualifications, the Employer should not at any time appoint himself to the role without the Contractor's prior agreement.

#### Article 4: Principal Designer

The Principal Designer for the purposes of the CDM Regulations is the Architect/Contract Administrator

(or)<sup>[8]</sup> Arawak Walken H.A.

of Margaret House, Manor Street,  
Manchester, M12 6HE.

or such replacement as the Employer at any time appoints to fulfil that role.

#### Article 5: Principal Contractor

The Principal Contractor for the purposes of the CDM Regulations is the Contractor

(or)<sup>[8]</sup> Seddan Construction Ltd

of Plodder Lane, Bolton, BL4 0NW

or such replacement as the Employer at any time appoints to fulfil that role.

#### Article 6: Adjudication

If any dispute or difference arises under this Contract either Party may refer it to adjudication in accordance with clause 7.2.<sup>[9]</sup>

#### Article 7: Arbitration

Where Article 7 applies<sup>[10]</sup>, then, subject to Article 6 and the exceptions set out below, any dispute or difference between the Parties of any kind whatsoever arising out of or in connection with this Contract shall be referred to arbitration in accordance with Schedule 1 and the JCT 2016 edition of the Construction Industry Model Arbitration Rules (CIMAR)<sup>[11]</sup>. The exceptions to this Article 7 are:

- any disputes or differences arising under or in respect of the Construction Industry Scheme or VAT, to the extent that legislation provides another method of resolving such disputes or differences; and

- 
- [8] Insert the name of the Principal Designer in Article 4 if the Architect/Contract Administrator is not to fulfil that role and that of the Principal Contractor in Article 5 if that is to be a person other than the Contractor. Under the CDM Regulations 2015, regardless of whether or not a project is notifiable, there is a requirement to appoint a principal designer and a principal contractor in all cases where there is more than one contractor, or if it is reasonably foreseeable that more than one contractor will be working on a project at any time. For these purposes, the term 'contractor' is broadly defined by the regulations and treats the Contractor's sub-contractors as separate contractors.
- [9] As to adjudication in cases where the Employer is a residential occupier within the meaning of section 106 of the Housing Grants, Construction and Regeneration Act 1996, see the Guidance Notes.
- [10] If it is intended, subject to the right of adjudication and exceptions stated in Article 7, that disputes or differences should be determined by arbitration and not by legal proceedings, the Contract Particulars **must** state that the arbitration provisions of Article 7 and Schedule 1 apply and the words "do not apply" **must** be deleted. If the Parties wish any dispute or difference to be determined by the courts of another jurisdiction the appropriate amendment should be made to Article 8 (see also clause 1.8).
- [11] See the Guidance Notes.

- any disputes or differences in connection with the enforcement of any decision of an Adjudicator.

**Article 8: Legal proceedings<sup>[10]</sup>**

Subject to Article 6 and (where it applies) to Article 7, the English courts shall have jurisdiction over any dispute or difference between the Parties which arises out of or in connection with this Contract.

## Notes on Execution as a Deed

- 1 For the purposes of execution as a deed, two forms are provided for execution, one for the Employer and the other for the Contractor. Each form provides four methods of execution, (A) to (D), for use as appropriate. The full name of the Employer or Contractor (whether an individual, a company or other body) should be inserted where indicated at the commencement of the relevant form. This applies irrespective of the method used.
- 2 For public and private companies incorporated and registered under the Companies Acts, the three principal methods of execution as a deed are:
  - (A) through signature by a Director and the Company Secretary or by two Directors;
  - (B) by affixing the company's common seal in the presence of a Director and the *Company* Secretary or of two Directors or other duly authorised officers; or
  - (C) signature by a single Director in the presence of a witness who attests the signature.

Methods (A) and (C) are available to public and private companies whether or not they have a common seal. (Method (C) was introduced by section 44(2)(b) of the Companies Act 2006.) Methods (A) and (C) are not available under companies legislation to local authorities or to certain other bodies corporate, e.g. bodies incorporated by letters patent or private Act of Parliament that are not registered under companies legislation and such bodies may only use method (B).
- 3 Where method (A) is being used, delete the inappropriate words and insert in the spaces indicated the names of the two Directors, or of the Director and the Company Secretary, who are to sign.
- 4 If method (B) (affixing the common seal) is adopted in cases where either or both the authorised officers attesting its affixation are not themselves a Director or the *Company* Secretary, their respective office(s) should be substituted for the reference(s) to Director and/or to *Company* Secretary/Director. (In the case of execution by bodies that are not companies, the reference to "*Company*" under the second signature should be deleted where appropriate.)
- 5 Method (C) (execution by a single Director) has been introduced primarily, but not exclusively, for 'single officer' companies. The Director should sign where indicated in the presence of a witness who should then sign and set out his name and address.
- 6 Where the Employer or Contractor is an individual, he should use method (D) and sign where indicated in the presence of a witness who should then sign and set out his name and address.
