Purchase terms

1. Account Use

Client account credentials are personal and may not be shared outside the Client's organisation. Dealroom.co reserves the right to suspend accounts if unauthorised sharing is detected.

2. Data Use

Data from the Dealroom.co platform may only be used internally by the Client.

Publishing aggregated data in thought-leadership or marketing materials is permitted, provided that Dealroom.co is clearly cited as the data source.

3. Fees and Invoicing

Upon signing, Dealroom.co shall invoice the Client for the amount stated in the Order Form.

The Client must provide all necessary billing details (e.g. purchase orders, cost centres, contacts) within 7 days of signature.

All subscriptions are billed annually in advance, with invoices payable within 14 days of issue.

Prices exclude applicable taxes or levies imposed by relevant authorities.

4. Term and Renewal

Subscriptions continue on an annual basis and renew automatically at the end of each term unless cancelled in writing to support@dealroom.co at least 30 days before the renewal date.

Termination during an active term does not cancel payment obligations and does not entitle the Client to a refund.

5. Annual Price Adjustment

Dealroom.co may apply a price increase of up to five percent (5%) at each renewal term to reflect inflation, data growth, and ongoing platform improvements.

Unless otherwise agreed in writing, the adjusted price will automatically apply at the start of the renewal term.

6. License and Exports

The Client may use Dealroom.co data solely for internal business purposes and may not resell, redistribute, or otherwise commercialise such data.

Premium licenses include the right to export a defined number of records, as specified in the Order Form.

7. Warranty and Liability

All data is provided on an "as-is" and "as-available" basis. Dealroom.co makes no warranty as to accuracy, completeness, or fitness for purpose.

The Client indemnifies Dealroom.co against any third-party claims related to its use or processing of data obtained through the platform.

Dealroom.co shall not be liable for any indirect, incidental, or consequential damages arising from the use of the data.
