- 36.2 In the event that either party is delayed or prevented from performing its obligations under this Agreement by a Force Majeure Event, such party shall:
- (a) give notice in writing of such delay or prevention to the other party as soon as reasonably possible, stating the commencement date and extent of such delay or prevention, the cause thereof and its estimated duration;

37.3 The Provider shall during the Term of this Agreement:

- (a) establish, maintain and enforce, and require that its Sub-contractors establish, maintain and enforce, policies and procedures which are adequate to ensure compliance with the Bribery Act and prevent the occurrence of a Prohibited Act; and

In an instance such as this, contract monitoring meetings may be at an increased frequency and an appropriate action plan created to monitor ongoing performance.

1.4 In certain circumstances failure to meet performance targets may result in a temporary suspension where additional goods/Services may be put on hold until the concerns are addressed. This will be notified to the provider in writing when this occurs.

1.5 The Council has outlined a target / standard to be achieved for each of the performance measures. Where a target is not achieved then the Provider must set out the relevant factors or circumstances which contributed to the non-achievement in the quarterly performance monitoring information and these will be reviewed and discussed as part of the contract review process.

1.6 There are a number of performance measures which have a critical/minimum threshold:

- (a) In the event where a single KPI falls within parameters for 'minor' or 'serious' the Provider will be required to provide

evidence/reasons/actions taken and a discussion will be held with the Lead Commissioner.

- (b) If performance falls within the parameters for 'serious' on three consecutive occasions, then this will constitute a persistent unresolved breach of the Contract. The Council would expect the provider to provide a remediation plan to get performance back on track, this is outlined in the Contract Terms and Conditions.
- (c) Where it is deemed that the Provider persistently does not meet the expectations set out in the KPIs and/or any of the KPIs are perceived as frequently falling within the parameters of 'minor' or 'serious' (as outlined in the specification), this will constitute a persistent unresolved breach of the Contract. In this event, the Local Authority withhold the right to take action as identified in the Contract Terms and Conditions.
