19th February 2026

**CP2491-24 Open Light Touch Framework for Independent and Alternative Education
Support for Children and Young People in Devon – Framework Two**

Dear [REDACTED],

I refer to the assessment summary letter dated 9th February 2026 advising that your organisation has been successful in applying to join onto the Framework referenced above.

The voluntary standstill period has been successfully completed and on behalf of Devon County Council I am pleased to inform you that your organisation has been appointed onto Framework Two for the following Lot:

Lot 1b	Post-16 Education Placements for children and young people with Special Educational Needs and Disabilities (SEND) and an Education, Health and Care Plan (EHCP) with independent post-16 settings and independent special post-16 settings schools and colleges.
--------	--

Framework Two will commence on 19th February 2026 with an expiry date of 7th December 2026, subject to the Terms and Conditions stated in the Framework Agreement. Please find attached a copy of the Framework Agreement for your records.

For information, you will automatically be appointed onto all subsequent Framework(s) under this Open Framework Scheme and will not need to take any action in response to the reopening of the Framework unless

- you choose to submit a new Bid in response to an Entry Point, or
- you request in writing that you do not wish to be appointed onto one or more Lot(s) of the new Framework following the reopening of an Entry Point.

Yours sincerely,

A handwritten signature in black ink that reads "J. Shanbury". The script is fluid and cursive, with the first letter 'J' being particularly large and stylized.

Jules Shanbury
