# Ariba Guidance

Supplier Registration

To register for an HMRC SAP Ariba account please follow the link below in full. Please note that to access HMRC's version of SAP Ariba for the first time you must enter via the below link regardless of whether you have an existing account for the wider SAP Ariba procurement network.

http://hmrc.sourcing-eu.ariba.com/ad/selfRegistration

**Please note that:** HMRC SAP Ariba best practice is that, unless absolutely required, organisations should only have 1 supplier account, there is the functionality for suppliers to add additional/alternative users to their existing primary account. Suppliers will need to contact their account owner to request additions (HMRC can help identify who this is, alternatively Ariba Customer Support can direct you to the Administrator of the Account) and once the changes have been made they will need to notify the contact detailed within the contract notice to confirm which participants should be invited to the event.

#### **Supplier Registration – How it Works**

The following presentation outlines how a supplier can register with HMRC's instance of the SAP Ariba eProcurement tool. It is very important that suppliers follow the process as set out in the below slides in full in order to register for HMRC's dedicated are of the site and not the wider network.

It is also of note that while creating an account on HMRC's instance of SAP Ariba is crucial to registering a tender, registration alone does not grant access to the individual procurement 'event'. Registering for HMRC's instance of SAP Ariba qualifies the supplier to access all relevant procurement events being run by HMRC through the system, however, it is necessary to request access to each individual 'event' in order to see the tender documents on your account homepage.

If you require further assistance while attempting to register for an account on HMRC's instance of SAP Ariba please email sapariba.hmrcsupport@hmrc.gsi.gov.uk. This team can also advise if there is an existing HMRC SAP Ariba account already created for your organisation. As policy, we do not allow for the same supplier to hold multiple Accounts

#### Subject: Invitation: Register to become a supplier with HMRC

You don't often get email from s4system-prodeu+hmrc.doc1758053374@eusmtp.ariba.com. Learn why this is important

HMRC

Register as a supplier with HMRC

Hello!

has invited you to register to become a supplier with HMRC. Start by creating an account with Ariba Network. It's free.

HMRC uses Ariba Network to manage its sourcing and procurement activities and to collaborate with suppliers. If Pete Test 2 already has an account with Ariba Network, sign in with your username and password.

You are receiving this email because your customer, HMRC, has identified you as the appropriate contact for this correspondence. If you are not the correct contact, please contact HMRC. If HMRC approve your account, you will receive an email confirming this.

Contained within the email will be a link to complete your account creation.
