

HOLLYMOUNT PRIMARY SCHOOL - LPS & FOOTPATH SITE SETUP PLAN

Creation of new airlock to Entrance Lobby
by others

Small Compound/
Parking to Car Park,
with working areas
accessed through
main reception
entrance

NOTE: There will be other
contractors on-site
undertaking larger projects
such as to the Reception
Entrance and fire door
replacement internally, with
these working areas
highlighted in white to be
avoided where possible

Replacement and
overhaul of fire doors
largely to modern
extension by others

WORKING AREA for
Flank Footpath and
LPS remedials

Suggested access route
from Car Park along flank of
the site to working area to
avoid other Contractors and
Holiday Club
