

**Please clarify the model iPad preferred.**

For this requirement an iPad Pro, 4th Gen, 11inch, 128GB, Wi-Fi cellular is required.

**Will Natural England accept alternative models to the iPad Pro? Such as a ruggedised table which may offer additional features more suitable for Natural England's requirement.**

On this occasion Natural England are unable to accept alternative models to ensure the device is compatible with specific software used for survey data collection.

**Would Natural England accept a 256GB iPad Pro as a replacement for the 128GB iPad Pro.**

The requirement is the for 128GB iPad Pro. This is our preferred option; however, Natural England are happy to accept a 256GB iPad Pro.
