8. Customer Reference

a. Oracle may refer to You as an Oracle customer of the ordered Services in sales presentations, marketing materials and activities.

B. Additional Order Terms

1. Price Hold

During the Services Period, H M Land Registry may order additional quantities of the Cloud Services acquired under this order at the Unit Net Price specified above for expansion of the Cloud Services under this order. This price hold does not apply to Eloqua Marketing Platform Cloud Services, or to any Customer Success Services listed as Cloud Services in the Services Ordered table of this order (including, without limitation, Cloud Priority Support for SaaS, Enhanced Support Services for SaaS, Mission Critical Response for SaaS, Solution Support Center for SaaS, Oracle Mission Critical Support for SaaS, Oracle Critical Process Management for SaaS, Oracle Regression Testing Services for SaaS, Oracle Business Help Desk for SaaS, or Oracle Extensions and Integrations Support for SaaS), to any renewals or extensions of the Cloud Services ordered hereunder, to Cloud Services ordered pursuant to a separate Oracle discount or promotion, to any Cloud Services other than those listed in the initial purchase under this order.

2. Rebalancing

Notwithstanding anything to the contrary in this order and subject to the conditions specified below, You have the option to re-allocate the User and Usage quantities ("Rebalance" or "Rebalancing") among the following Oracle Cloud Services (and associated optional services) listed in this order as applicable but only within a pillar (as defined below): Oracle Fusion Cloud, Taleo Enterprise Cloud Services, Eloqua Cloud Services, Oracle RightNow Cloud Services and BigMachines Cloud Services. For the purposes of this Rebalance option, a pillar is equal to one of the following: CX, HCM or ERP.

You may exercise your option to Rebalance provided that:

(a) You may only Rebalance with respect to Cloud Services subscriptions that You have already purchased from Oracle and that are still in effect at the time of the Rebalancing;

(b) You may only Rebalance with respect to subscription Cloud Services (e.g., bases and options) and You may not apply Rebalancing to other services (such as managed services or professional/consulting services) or operational services such as Additional Test Environment or Virtual Private Network, which are not a user based metric or a usage based metric;

(c) You may Rebalance once within the first 12 months from the Cloud Services Start Date of this order, and once within the following 12 month period;

(d) You provide your Oracle sales representative with 30 days prior written notice of Your intent to exercise the Rebalance (with the 30 day notice period being the "Thirty Day Period"), and You issue a new PO for the new or amended order (that reflects the results of the Rebalance) with a new invoicing schedule;

(e) You enter into a new or amended order reflecting the results of the Rebalance within the Thirty Day Period;

(f) Your annual renewable revenue has not decreased;

- (g) You may not use this Rebalance option with any products that have pooled usage or in conjunction with any Oracle Cloud promotions;
- (h) You may not Rebalance any fees which have already been used or that have already been applied to Cloud Services under this order; and
- (i) Rebalancing conversions are based on the list prices of the applicable Cloud Services as of the date of Your original order.

3. Renewal

The Cloud Services in this order do not renew automatically. If You choose to renew all the Cloud Services acquired under this order for an additional 12 month Services Period ("Renewal Order"), then the Unit Net Price in Your Renewal Order will not increase by more than [REDACTED] over the Unit Net Price for the Cloud Services set forth in this order, provided however, that with respect to that Renewal Order:

- (a) it must be executed with Oracle prior to the end of the initial Services Period of this order;
- (b) its total quantity of Cloud Services ordered and total amount of annual net Cloud Services fees must be equal to or greater than those totals as set forth in this order (including any expansion orders hereunder);
- (c) it is for Cloud Services that Oracle still makes generally available to its commercial customers on the date that Oracle issues to You the Renewal Order; and
- (d) You renew all Cloud Services acquired under the previous order (including all expansions thereunder) in such Renewal Order.

4. Social Value

Supplier recognizes that Fighting Climate Change and Equal Opportunity are two important themes of the Government Social Value Model. Supplier has implemented policies and procedures designed to encourage the sustainable use of natural resources and protection of the environment and publicly reports on its sustainability efforts on an annual basis. These reports include its Social Impact Report available at <https://www.oracle.com/socialimpact/>. Supplier also confirms that it upholds and respects human rights for all people, as reflected in Oracle's core values, policies, practices, and Code of Ethics and Business Conduct (available at <https://www.oracle.com/webfolder/assets/ebook/employee-code-of-conduct-andethics/index.html>) and that it will perform its obligations under this order in accordance with all applicable equality and diversity law (whether in relation to race, sex, gender reassignment, age, disability, sexual orientation, religion or belief, pregnancy, maternity or otherwise).

Notwithstanding any statement to the contrary in the Service Specifications, the parties expressly agree that the Services acquired under this order will not Auto-Renew.

C. Contracts (Rights of Third Parties) Act 1999
