

Prior to being considered as a contractor on Wellingborough Town Council projects, we require you to consider and provide evidence for the following:

<p>Are you a member of a recognised Safety Scheme in Procurement (SSIP) scheme such as Safe Contractor, Construction Line or Contractors Health and Safety Assessment Scheme (CHAS), if not, is this something you would be prepared to commit to?</p>	
<p>Please advise whether you have been subject to any HSE prosecutions within the last 5 years, if so, please specify.</p>	
<p>Please confirm that you are registered as a company with Companies house and provide details of company Directors and Shareholders plus your company registration number. In addition, please provide the year of incorporation.</p>	
<p>Please advise if you have been in liquidation, voluntary liquidation, administration or subject to other insolvency proceedings within the last 6 years</p>	
<p>Please confirm that similar projects have been undertaken within the past 12 months, contract value up to £200,000.00. Please provide photographic evidence of this work, along with a reference.</p>	
<p>Please provide evidence of All risk' insurance cover with the following minimum cover:</p> <ul style="list-style-type: none"> <li>• <u>Works ranging up to £50,000.00</u> – Public Liability Indemnity limit of £2 million and Employers Liability Indemnity limit of £10 million.</li> <li>• <u>Works over £50,000.00</u> – Public Liability Indemnity limit of £5 million and Employers Liability Indemnity limit of £10 million</li> <li>• <u>Contracts work insurance</u> for or above the value of the contracted works</li> </ul>
