Quotation: #QUO00705

Date: 02/07/2025

Prepared by: Luke Quayle

Order Number:

Title: The Centre - Air Conditioning

#### Description

Following on from our visit please find below the budget cost associated with the works to replace the discussed air conditioning systems.

This estimate includes removal of all six Dakin systems and replacement with like for like specification with a equivalent manufacture, excluding the reception ac that will not be replaced as is surplus to requirement.

We will utilise HT insulation and UV stable cable where pipework is outside and exposed to sunlight.

Before any work is undertaken or orders accepted a full technical survey will need to be carried out to confirm all duty's, placements and positions.

<b>Sub Total:</b>	£26,450.00
<b>VAT Amount:</b>	£5,290.00
<b>Total Including VAT:</b>	£31,740.00
