

MFF165 2025-2031 Ground Works Open Framework and MFF165-01 Works Packages

Clarification 1 & 2

1. 2025/08/28 Clarification of bund specification type to be considered in **Framework** itemised costs sheet as follows:
 - a. In document "Appendix 1 MFF 165 Framework Itemised Costs.xlsx", tab "3_Machine Work", Contractor to price item 3 "Peat Bunds" on basis of "Scallop" bunding specifications.
 - i. Quantity remains as per existing "10 hectares".
 - ii. Contractor should provide additional information at bottom of tab in table titled "bunds additional info".
 - iii. The template "Appendix 1 MFF 165 Framework Itemised Costs.xlsx" has not been amended.
 - iv. No other Changes to the ITT or submission requirements, as a result of this clarification.
2. 2025/08/28 Clarification of Trackway requirement associated with MFF165-01 Package 7.
 - a. In Document "Appendix 7a MFF165-01 Packages 1 to 11.pdf" detailing the site specific requirements of each work package, the requirement for Temporary Trackway associated with *Package 7 (Rivelin/Moscar Groundworks)* is revised. The *Temporary Trackway* requirement (item 3.15) has been amended to
 - i. *"The Contractor will be required to supply and install temporary trackway at the lift site. Approximately 20m x 20m area will be required at the lift site, for a period of approximately 5 weeks. Temporary trackway to be suitable for stockpiling and handling gully blocking stone and principally to act as demarcation layer from underlying grass. OSB/ply boarding would be considered acceptable."*
 - ii. *Document "Appendix 7a MFF165-01 Packages 1 to 11.pdf" has been replaced with "Appendix 7a MFF165-01 Packages 1 to 11_v2.pdf" incorporating this amendment.*
 - b. Document "Appendix 8 MFF 165-01 Packages Itemised Costs.xlsx" Has been amended with respect to Package 7; Tab "P7- Rivelin" has been amended to add Item specifically for costing trackway. Item 12; *"Temporary Trackway/ground protection at Lift site" (12.1 and 12.2)* has been added. Please use the revised version of this document, "Appendix 8 MFF 165-01 Packages Itemised Costs_v2.xlsx", available from the "documents" section of the notice and from the MFFP website.
 - c. No other Changes to the ITT or submission requirements, as a result of this clarification.

Should a supplier already have submitted a tender, and, on the basis of these clarifications, wish to revise their tender documents; they should submit their amended tender submission (in full), following the original submission instructions, before the tender return deadline.

Any queries (only) via email to the nominated officer as listed in the original invitation to tender.
