Extra Key Provisions

20 Price Variations

20.1 For each Good in each of the Supplier Lots specified in the Award Schedule, on the expiry of the Price Firm Period for such Good the Authority may review the Contract Price payable for the Good:

20.1.1 at its own instigation at any time following expiry of the Price Firm Period; or

20.1.2 following a request from the Supplier within fourteen (14*) Business Days from the expiry of the Price Firm Period (as defined in Clause 20.8 of this Schedule 1), provided that the Supplier can demonstrate to the satisfaction of the Authority that there have been changes to the Supplier's manufacturing, distribution and supply costs in connection with the provision of the Good since the previous Review (if any)

(each such review being a "**Review**" for the purposes of this Clause 20 of this Schedule 1).

20.2 The Authority shall be entitled to increase or decrease the price of the Good in the event that the Contract Price does not in the sole opinion of the Authority (acting reasonably) reflect the principal underlying costs (including, but not limited to, wage costs, fuel costs and energy costs) necessarily and properly incurred by the Supplier in connection with the manufacture and distribution of such Good(s). For the avoidance of doubt the Parties accept and acknowledge that any changes to the Contract Price shall not have the effect of altering the overall nature of this Framework Agreement.

20.3 In reviewing the Contract Price pursuant to Clause 20.1 of this Schedule 1, and subject always to Clause 20.4 of this Schedule 1, the Authority may have regard to the following factors:

20.3.1 any changes to the Supplier's manufacturing, distribution and supply costs, to the extent that such costs are necessary and properly incurred by the Supplier in the provision of the Good;

Such evidence shall be provided by the Supplier to the Authority on a transparent basis, reference publicly available sources of evidence where appropriate, and shall be sufficient to enable the Authority to verify and substantiate any changes to the costs of the Supplier in connection with the provision of the Good. In addition, the Supplier shall, on request, allow the Authority to inspect and take copies of (or extracts from) all relevant records and materials of the Supplier relating to the supply of the Good as may be reasonably required.
- 20.5 The Authority shall endeavour (but shall not be obliged to) to complete the Review within thirty (30) days from the commencement of the Review. Upon completion of the Review by the Authority, the Authority may elect to:
- 20.5.1 increase the price of the Good by giving the Supplier not less than three (3) months' written notice of such increase; or
 - 20.5.2 decrease the price of the Good by giving the Supplier not less than one (1) month's written notice of such decrease (or such shorter period as the Parties may agree)
- (in both cases the relevant notice being "the **Review Notice**") and the Review Notice shall stipulate the new prices as varied pursuant to the Review ("the **Revised Contract Price**") and the reasons for this. The Supplier shall be entitled to supply the Good at the Revised Contract Price upon expiry of the Review Notice (unless the Supplier serves notice to terminate under Clause 20.6 of this Schedule 1 in which case Clause 20.7 of this Schedule 1 shall apply).
- 20.6 The Supplier may terminate this Framework Agreement by giving to the Authority not less than four (4) months' notice in writing, such notice to be given within fourteen (14) days of its receipt of a Review Notice under Clause 20.5 of this Schedule 1.
- 20.7 For the avoidance of doubt, if the Supplier serves notice to terminate under Clause 20.6 of this Schedule 1:

- 20.7.1 until such notice expires, the prices shall remain fixed at the price payable immediately preceding the Review; and
 - 20.7.2 the Supplier shall be obliged to supply the Goods in accordance with the terms of this Framework Agreement and any order that may be placed prior to the date of termination.
- 20.8 For the purpose of this Clause 20 of this Schedule 1, for each Good in each of the Supplier Lots specified in the Award Schedule, the **"Price Firm Period"** means:
- 20.8.1 in the case of the first Review to be carried out by the Authority, the period commencing on the Commencement Date and ending on the Mid-Point Date for that Good; or
 - 20.8.2 in the case of the second or any subsequent Review to be carried out by the Authority, a consecutive period of no less than six (6) months following the last Review and at six (6) monthly intervals thereafter.
- 20.9 For the avoidance of doubt, the second and any subsequent Review thereafter may be conducted (in accordance with this Clause 20 of this Schedule 1) irrespective of whether the first Review was conducted.
- 20.10 For the purposes of this Clause 20.10 of this Schedule 1, **"Consumer Prices Index"** means the Consumer Prices Index as published by the Office for National Statistics from time to time, or failing such publication, such other index as the Authority (acting reasonably) shall decide most closely resembles such index. Notwithstanding any other provision of this Framework Agreement and/or the Call-Off Terms and Conditions for the Supply of Goods, the amount of any increase (as a percentage of the current Contract Price) to the Contract Price (whether pursuant to a Review or otherwise) shall not exceed the percentage increase in the Consumer Prices Index over the preceding twelve (12) months.

- 21.3 The Authority shall inform the Supplier in writing if the additional goods (being the subject matter of the notice given by the Supplier under Clause 21.2 of this Schedule 1) are to be added to the Framework Agreement and the date of such addition. The Authority reserves the right not to add the additional goods to this Framework Agreement for any reason whatsoever.
- 21.4 The Contract Price of the additional goods shall be the price offered by the Supplier under Clause 21.2 of this Schedule 1.
- 21.5 Where additional goods are added to this Framework Agreement such additional goods shall be deemed to form part of the Goods for the purposes of interpretation of this Framework Agreement and the Call-off Terms and Conditions.

22 Price Guarantee Provisions

- 22.1 The Supplier acknowledges and agrees that the Authority has entered into this Framework Agreement on the basis of the pricing information supplied to and accepted by the Authority as specified in the Award Schedule. The Supplier shall not charge for Goods the subject of this Framework Agreement to Participating Authorities at a lower price than has been accepted by the Authority as specified by the Supplier in the Award Schedule unless it is in accordance with Clause 20 of this Schedule 1.
- 22.2 If the Supplier charges for Goods the subject of this Framework Agreement to a Participating Authority at a lower price than that specified in the Award Schedule, in breach of Clause 22.1 of this Schedule 1, this breach shall be deemed to be a material breach of this Framework Agreement, and shall entitle the Authority to terminate this Framework Agreement in accordance with Clause 17.4 of Schedule 2 of this Framework Agreement.
- 22.3 The right to terminate this Framework Agreement given by Clause 22.2 of this Schedule 1 shall be without prejudice to any other right or remedy of the Authority in respect of the breach concerned or any other breach.
- 22.4 The Authority may, at its sole discretion, decide to accept the Supplier's breach of Clause 22.1 of this Schedule 1 and instead of terminating this Framework Agreement the Authority shall substitute the lower price offered by the Supplier in breach of Clause 22.1 of this Schedule 1 for the original price specified in the Award Schedule.
- 22.5 Any waiver by the Authority of Clause 22.2 of this Schedule 1, pursuant to Clause 22.4 of this Schedule 1, shall not be considered as a waiver of any subsequent breach of the same or any other provision of this Framework Agreement.

- 22.6 Where the Contract Price is or may become subject to any pricing requirements of any voluntary scheme agreed with government and/or statutory pricing regulation (including, but not limited to, the statutory scheme for branded medicines, the voluntary scheme for branded medicines pricing and access (VPAS) and any patient access schemes (PAS)), the Parties shall comply with such requirements as required by Law from time to time and specifically as required by the statutory pricing regulation scheme (and any future regulation) or to the extent applicable to the Supplier from time to time as an industry member of a voluntary scheme, including any reductions in price by reason of the application of such schemes. Where such pricing requirements of any voluntary scheme or statutory pricing scheme results in a lower price for the Goods, then the Contract Price for that Good shall be amended accordingly to that lower price from the date such voluntary scheme or statutory pricing scheme applies.

23 Further Supplier Termination Rights

- 23.1 The Supplier may terminate this Framework Agreement in whole (in relation to all of the Goods) or in part (in relation to any particular Good(s)) by giving four (4) months' written notice to the Authority to such effect.

- 17.1 This Framework Agreement shall commence on the Commencement Date and, unless terminated earlier in accordance with the terms of this Framework Agreement or the general law, shall continue until the end of the Term.
- 17.2 The Authority shall be entitled to extend this Framework Agreement for further period(s) (either by way of a single extension or a series of multiple extensions) by giving the Supplier written notice no less than three (3) months prior to the specified expiry date, provided that the duration of this Framework Agreement shall be no longer than the Extension Period. The Authority shall be entitled to extend the Framework Agreement in relation to all or any of the Goods and any extension shall apply to all or any of the Goods as the Authority may specify in the notice given pursuant to this Clause 17.2. For the avoidance of doubt, in the event that this Framework Agreement is extended, the Contract Price of the Goods subject to any extension shall remain fixed at the price payable (for such Goods) immediately preceding the extension subject always to any price variation made in accordance with Clause 20 of Schedule 1.
- 17.3 In the case of a breach of any of the terms of this Framework Agreement by either Party that is capable of remedy (including any failure to pay sums due under this Framework Agreement), the non-breaching Party shall, without prejudice to its other rights and remedies under this Framework Agreement, issue a Breach Notice and shall allow the Party in breach the opportunity to remedy such breach in the first instance via a remedial proposal put forward by the Party in breach ("**Remedial Proposal**") before exercising any right to terminate this Framework Agreement in accordance with Clause 17.4.2 of this Schedule 2. Such Remedial Proposal must be agreed with the non-breaching Party (such agreement not to be unreasonably withheld or delayed) and must be implemented by the Party in breach in accordance with the timescales referred to in the agreed Remedial Proposal. Once agreed, any changes to a Remedial Proposal must be approved by the Parties in writing. Any failure by the Party in breach to:
- 17.3.1 put forward and agree a Remedial Proposal with the non-breaching Party in relation to the relevant default or breach within a period of ten (10) Business Days (or such other period as the non-breaching Party may agree in writing) from written notification of the relevant default or breach from the non-breaching Party;
 - 17.3.2 comply with such Remedial Proposal (including, without limitation, as to its timescales for implementation, which shall be thirty (30) days unless otherwise agreed between the Parties); and/or
 - 17.3.3 remedy the default or breach notwithstanding the implementation of such Remedial Proposal in accordance with the agreed timescales for implementation,

shall be deemed, for the purposes of Clause 17.4.2 of this Schedule 2, a material breach of this Framework Agreement by the Party in breach not remedied in accordance with an agreed Remedial Proposal. For the avoidance of doubt, where the Authority is entitled to issue a Service Failure Notice pursuant to Clause 20.3 of this Schedule 2 in relation to a breach of this Framework Agreement then the Authority may exercise its rights under Clause 20 of this Schedule 2 instead of the rights under this Clause 17.3 and shall not be required to comply with this Clause 17.3 prior to terminating this Framework Agreement pursuant to 20.6.2 of this Schedule 2.

17.4 Either Party may terminate this Framework Agreement forthwith by issuing a Termination Notice in writing to the other Party if such other Party commits a material breach of any of the terms of this Framework Agreement which is:

17.4.1 not capable of remedy; or

17.4.2 in the case of a breach capable of remedy, which is not remedied in accordance with a Remedial Proposal.

17.5 The Authority may terminate this Framework Agreement forthwith by issuing a Termination Notice in writing to the Supplier:

17.5.1 if the Supplier, or any third party guaranteeing the obligations of the Supplier under this Framework Agreement, ceases or threatens to cease carrying on its business; suspends making payments on any of its debts or announces an intention to do so; is, or is deemed for the purposes of any Law to be, unable to pay its debts as they fall due or insolvent; enters into or proposes any composition, assignment or arrangement with its creditors generally; takes any step or suffers any step to be taken in relation to its winding-up, dissolution, administration (whether out of court or otherwise) or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) otherwise than as part of, and exclusively for the purpose of, a bona fide reconstruction or amalgamation; has a liquidator, trustee in bankruptcy, judicial custodian, compulsory manager, receiver, administrative receiver, administrator or similar officer appointed (in each case, whether out of court or otherwise) in respect of it or any of its assets; has any security over any of its assets enforced; or any analogous procedure or step is taken in any jurisdiction;

17.5.2 if the Supplier undergoes a change of control within the meaning of sections 450 and 451 of the Corporation Tax Act 2010 (other than for an intra-group change of control) without the prior written consent of the Authority and the Authority shall be entitled to withhold such consent if, in the reasonable opinion of the Authority, the proposed change of control will have a material impact on the performance of this Framework Agreement or the reputation of the Authority;

- 17.5.3 if the Supplier purports to assign, sub-contract, novate, create a trust in or otherwise transfer or dispose of this Framework Agreement in breach of Clause 32.1 of this Schedule 2;
- 17.5.4 pursuant to and in accordance with the Key Provisions and Clauses 17.6, 20.6.2, 22.7.2, 27.8, 29.2, 29.4, 30.2 and 33.2 of this Schedule 2 or any other provision of this Framework Agreement that provides for termination of this Framework Agreement;
- 17.5.5 if the warranty given by the Supplier pursuant to Clause 12.4 of this Schedule 2 is materially untrue, the Supplier commits a material breach of its obligation to notify the Authority of any Occasion of Tax Non-Compliance as required by Clause 12.4 of this Schedule 2, or the Supplier fails to provide details of proposed mitigating factors as required by Clause 12.4 of this Schedule 2 that in the reasonable opinion of the Authority are acceptable;
- 17.5.6 where a court (or other competent authority) or the Authority (acting reasonably) makes a finding or determination that any of the Intellectual Property Rights required for the purposes of supplying the Goods is invalid or unenforceable for whatever reason;
- 17.5.7 on the occurrence of, or at any time following, any NHSE Event;
- 17.5.8 the Supplier declines to accept an Order;
- 17.5.9 if any marketing authorisation in relation to the Goods is withdrawn, suspended and/or not renewed by the Licensing Authority at any time during the Term; or
- 17.5.10 pursuant to and in accordance with any termination rights set out in the Data Protection Protocol, as applicable to this Framework Agreement.
- 17.5.11 In accordance with Section 78 of the Procurement Act if:
 - (i) The Framework Agreement or any individual Contract has been awarded to the Supplier or modified in material breach of the Procurement Act or any regulations made under it;
 - (ii) At any time after the award of the Framework Agreement or any individual Contract the Supplier is determined to be an excluded supplier or an excludable supplier, including by reference to an associated person, as defined in the Procurement Act;

- (iii) The Supplier subcontracts all or part of the Framework Agreement or any individual Contract to an entity that is an excluded supplier or an excludable supplier under the Procurement Act.

Before terminating the Framework Agreement or any Call-Off Contract under this clause 17.5.11, the Authority shall:

- a. notify the Supplier stating its intention to terminate, specifying the applicable grounds for termination under clause 17.5.11;
- b. give the Supplier reasonable opportunity (not less than 10 Business Days) to submit written representations regarding:
 - i) whether the termination ground applies, and ii) the Authority's decision to terminate and reasons why it should not proceed. The Authority shall review any representations made before making a final decision regarding termination.
- c. where termination is on the grounds of a sub-contractor being excluded or excludable, give the Supplier reasonable opportunity to cease their arrangements and, if necessary, replace them with an alternative provider.

17.6 If the Authority, acting reasonably, has good cause to believe that there has been a material deterioration in the financial circumstances of the Supplier and/or any third party guaranteeing the obligations of the Supplier under this Framework Agreement and/or any material Sub-contractor of the Supplier when compared to any information provided to and/or assessed by the Authority as part of any procurement process or other due diligence leading to the award of this Framework Agreement to the Supplier or the entering into a Sub-contract by the Supplier, the following process shall apply:

- 17.6.1 the Authority may (but shall not be obliged to) give notice to the Supplier requesting adequate financial or other security and/or assurances for due performance of its material obligations under this Framework Agreement on such reasonable and proportionate terms as the Authority may require within a reasonable time period as specified in such notice;

17.6.2 a failure or refusal by the Supplier to provide the financial or other security and/or assurances requested in accordance with Clause 17.6 of this Schedule 2 in accordance with any reasonable timescales specified in any such notice issued by the Authority shall be deemed a breach of this Framework Agreement by the Supplier and shall be referred to and resolved in accordance with the Dispute Resolution Procedure; and

17.6.3 a failure to resolve such breach in accordance with such Dispute Resolution Procedure by the end of the escalation stage of such process (as set out in Clause 26.3 of this Schedule 2) shall entitle, but shall not compel, the Authority to terminate this Framework Agreement in accordance with Clause 17.4.1 of this Schedule 2.

In order that the Authority may act reasonably in exercising its discretion in accordance with Clause 17.6 of this Schedule 2, the Supplier shall provide the Authority with such reasonable and proportionate up-to-date financial or other information relating to the Supplier or any relevant third party entity upon request.

17.7 The Authority may terminate this Framework Agreement forthwith by issuing a Termination Notice in writing to the Supplier where:

17.7.1 there has been a failure by the Supplier and/or one of its Sub-contractors to comply with legal obligations in the fields of environmental, social or labour Law. Where the failure to comply with legal obligations in the fields of environmental, social or labour Law is a failure by one of the Supplier's Sub-contractors, the Authority may request the replacement of such Sub-contractor and the Supplier shall comply with such request as an alternative to the Authority terminating this Framework Agreement under this Clause 17.7.1.

17.8 If the Authority novates this Framework Agreement to any body that is not a Contracting Authority, from the effective date of such novation, the rights of the Authority to terminate this Framework Agreement in accordance with Clause 17.5.1 to Clause 17.5.3 of this Schedule 2 shall be deemed mutual termination rights and the Supplier may terminate this Framework Agreement forthwith by notice in writing to the entity assuming the position of the Authority if any of the circumstances referred to in such Clauses apply to the entity assuming the position of the Authority.

17.9 The Supplier agrees and acknowledges that the Authority (on its own behalf and on the behalf of any Participating Authority) is entitled to recover any costs the Authority and/or any Participating Authorities may incur in consequence of the Authority terminating this Framework Agreement pursuant to this Clause 17.

17.10 The Supplier agrees that upon termination for any reason or expiry of this Framework Agreement it shall not be entitled to make a claim against the Authority in relation to costs incurred by the Supplier in providing the Goods or costs incurred in acquiring equipment and/or materials used in the provision of the Goods or in engaging third parties in connection with the Goods the subject of this Framework Agreement.

17.11 For the avoidance of doubt, the Authority shall be entitled to terminate the Framework Agreement pursuant to this Clause 17 of this Schedule 2 in whole (in relation to all of the Goods) or in part (in relation to any particular Good(s)) and any termination shall apply to all of the Goods or particular Goods as the Authority may specify in any notice given under Clause 17 of this Schedule 2.

18 Consequences of expiry or earlier termination of this Framework Agreement

18.1 Upon expiry or earlier termination of this Framework Agreement, the Authority and the Supplier agree that all Contracts entered into under this Framework Agreement will continue in full force and effect unless otherwise terminated under the terms and conditions of such Contracts. The expiry or earlier termination of this Framework Agreement for whatever reason shall not in any way affect the validity of any Order raised by a Participating Authority prior to the date of such expiry or termination.

18.2 The Supplier shall cooperate fully with the Authority or, as the case may be, any replacement supplier during any re-procurement and handover period prior to and following the expiry or earlier termination of this Framework Agreement. This cooperation shall extend to providing access to all information relevant to the operation of this Framework Agreement, as reasonably required by the Authority to achieve a fair and transparent re-procurement and/or an effective transition without disruption to routine operational requirements. Any Personal Data Processed by the Supplier on behalf of the Authority shall be returned to the Authority or destroyed in accordance with the relevant provisions of the Data Protection Protocol.

18.3 The expiry or earlier termination of this Framework Agreement for whatever reason shall not affect any rights or obligations of either Party which accrued prior to such expiry or earlier termination.

18.4 The expiry or earlier termination of this Framework Agreement shall not affect any obligations which expressly or by implication are intended to come into or continue in force on or after such expiry or earlier termination.

18.5 Where the Authority terminates this Framework Agreement due to the Supplier's breach of the Framework Agreement and Participating Authorities are required to purchase goods from other third parties to make good the inability to place Orders for such Goods with the Supplier following the termination of this Framework Agreement, then the Authority may recover from

the Supplier the amount by which the Participating Authorities' cost of purchasing other goods from a third party exceeds the amount that would have been payable by the Participating Authorities' to the Supplier in respect of the Goods replaced by such purchase during what would otherwise have been the Term of this Framework Agreement provided that the Participating Authorities' uses all reasonable endeavours to mitigate their losses. If the Authority wishes to claim any sum from the Supplier under this Clause, the Authority shall give a written notice to the Supplier to that effect. The Supplier shall pay any such sum within thirty (30) days from the date of such written notice. The Supplier acknowledges that payment of such amounts are proportionate when considering the Authority's legitimate interest in ensuring that the Supplier performs its obligations under this Framework Agreement, including the supply of Goods to Participating Authorities at the Contract Price. Such payments shall not be recoverable to the extent that a Participating Authority has already recovered such sums under the terms of the Contract.

19 Suspension of Supplier's appointment

- 19.1 Without prejudice to the Authority's rights to terminate this Framework Agreement, if a right for the Authority to terminate this Framework Agreement arises (irrespective of whether the circumstances leading to such right are capable of remedy) in accordance with Clause 17 of this Schedule 2 and/or the Supplier has failed to satisfy any Applicable Condition Precedent, the Authority may suspend the Supplier's appointment to receive new Orders under this Framework Agreement by giving notice in writing to the Supplier and all Participating Authorities.
- 19.2 If the Authority provides notice to the Supplier in accordance with Clause 19.1 of this Schedule 2, the Supplier's appointment shall be suspended for the period set out in the notice or such other period notified to the Supplier by the Authority in writing from time to time provided that such suspension shall be lifted where:
- 19.2.1 the circumstances leading to the Authority's right to terminate this Framework Agreement have been remedied;
 - 19.2.2 the Authority has satisfied itself that the risk and/or impact of the circumstances giving rise to the Authority's right to terminate this Framework Agreement no longer requires such suspension; or
 - 19.2.3 the Authority exercises its rights to terminate this Framework Agreement in accordance with Clause 17 of this Schedule 2.

20 Service Failures

Such Service Failure Remedial Proposal must be agreed with the Authority (such agreement not to be unreasonably withheld or delayed) and must be implemented by the Supplier in accordance with the timescales referred to in the agreed Service Failure Remedial Proposal. Once agreed, any changes to a Service Failure Remedial Proposal must be approved by the Parties in writing. Should the Supplier fail to:

- 20.3.1 put forward and agree a Service Failure Remedial Proposal with the Authority in relation to the relevant default or breach within a period of ten (10) Business Days (or such other period as the Authority may agree in writing) from written notification of the relevant default or breach from the Authority;
 - 20.3.2 comply with such Service Failure Remedial Proposal (including, without limitation, as to its timescales for implementation, which shall be thirty (30) days unless otherwise agreed between the Parties); and/or

 - 20.5.2 require amendments to the Business Continuity Plan pursuant to Clause 7.5; and/or

 - 20.6.1 suspend the Supplier's appointment to receive new Orders under this Framework Agreement in accordance with Clause 19 by giving notice in writing to the Supplier and all Participating Authorities; or

20.6.2 deem that, for the purposes of Clause 17.4.2 of this Schedule 2, there has been a material breach of this Framework Agreement that is not capable of remedy by the Supplier and may terminate the Framework Agreement pursuant to Clause 17.4.2.

20.7 The Supplier acknowledges and agrees that any Service Failure Notice shall trigger the requirement to publish the information required under Section 71 and Schedule 7, Paragraph 12(3) of the Procurement Act and (where applicable) that the Authority may give notice to the appropriate authority in relation to any debarment lists.

21 Complaints

21.1 The Supplier shall notify the Authority of any formal written complaints made by other Participating Authorities relating to the Supplier's noncompliance with any of its obligations under any Contract within two (2) Business Days of the Supplier becoming aware of such complaints.

Respective representatives at each level, as set out in Clause 5 of the Key Provisions, shall have five (5) Business Days at each level during which they will use their reasonable endeavours to resolve the Dispute before escalating the matter to the next level until all levels have been exhausted. Level 1 will commence on the date of services of the Dispute notice. The final level of the escalation process shall be deemed exhausted on the expiry of five (5) Business Days following escalation to that level unless otherwise agreed by the Parties in writing.

- 26.4 If the procedure set out in Clause 26.3 of this Schedule 2 has been exhausted and fails to resolve such Dispute, as part of the Dispute Resolution Procedure, the Parties will attempt to settle it by mediation. The Parties shall, acting reasonably, attempt to agree upon a mediator. In the event that the Parties fail to agree a mediator within five (5) Business Days following exhaustion of all levels of the escalation procedure at Clause 26.3 of this Schedule 2, the mediator shall be nominated and confirmed by the Centre for Effective Dispute Resolution, London.
- 26.5 The mediation shall commence within twenty eight (28) days of the confirmation of the mediator in accordance with Clause 26.5 of this Schedule 2 or at such other time as may be agreed by the Parties in writing. Neither Party will terminate such mediation process until each Party has made its opening presentation and the mediator has met each Party separately for at least one hour or one Party has failed to participate in the mediation process. After this time, either Party may terminate the mediation process by notification to the other party (such notification may be verbal provided that it is followed up by written confirmation). The Authority and the Supplier will cooperate with any person appointed as mediator providing them with such information and other assistance as they shall require and will pay their costs, as they shall determine or in the absence of such determination such costs will be shared equally.

 - 26.7.2 either Party seeking from any court any interim or provisional relief that may be necessary to protect the rights or property of that Party or that relates to the safety of patients or the security of Confidential Information, pending resolution of the relevant Dispute in accordance with the Dispute Resolution Procedure.

- 27.2 The Supplier shall only be entitled to rely on a Force Majeure Event and the relief set out in Clause 27 of this Schedule 2 and will not be considered to be in default or liable for breach of any obligations under this Framework Agreement if:

- 27.4 Where the Force Majeure Event affects the Supplier's ability to perform part of its obligations under the Framework Agreement the Supplier shall fulfil all such contractual obligations that are not so affected and shall not be relieved from its liability to do so.
- 27.5 If either Party is prevented or delayed in the performance of its obligations under this Framework Agreement by a Force Majeure Event, that Party shall as soon as reasonably practicable serve notice in writing on the other Party specifying the nature and extent of the circumstances giving rise to its failure to perform or any anticipated delay in performance of its obligations.
- 27.6 Subject to service of such notice, the Party affected by such circumstances shall have no liability for its failure to perform or for any delay in performance of its obligations affected by the Force Majeure Event only for so long as such circumstances continue and for such time after they cease as is necessary for that Party, using its best endeavours, to recommence its affected operations in order for it to perform its obligations.
- 27.7 The Party claiming relief shall notify the other in writing as soon as the consequences of the Force Majeure Event have ceased and of when performance of its affected obligations can be resumed.
- 27.8 If the Supplier is prevented from performance of its obligations as a result of a Force Majeure Event, the Authority may at any time if the Force Majeure Event subsists for thirty (30) days or more terminate this Framework Agreement by issuing a Termination Notice on the Supplier.

27.9 Following such termination in accordance with Clause 27.8 of this Schedule 2 and subject to Clause 27.10 of this Schedule 2, neither Party shall have any liability to the other.

27.10 Any rights and liabilities of either Party which have accrued prior to such termination in accordance with Clause 27.8 of this Schedule 2 shall continue in full force and effect unless otherwise specified in this Framework Agreement.

28 Records retention and right of audit

28.1 Subject to any statutory requirement and Clause 28.2 of this Schedule 2, the Supplier shall keep secure and maintain for the Term and six (6) years afterwards, or such longer period as may be agreed between the Parties, full and accurate records of all matters relating to this Framework Agreement.

The Supplier shall cooperate with such audit and inspection and accompany the Authority or its authorised representative if requested.

of the Supplier and may require the Supplier to provide such oral and/or written explanations as they consider necessary. Clause 28 of this Schedule 2 does not constitute a requirement or agreement for the examination, certification or inspection of the accounts of the Supplier under sections 6(3)(d) and 6(5) of the National Audit Act 1983.

- 28.7 The Supplier shall provide reasonable cooperation to the Authority, its representatives and any regulatory body in relation to any audit, review, investigation or enquiry carried out in relation to the subject matter of this Framework Agreement.

The Supplier will disclose to the Authority full particulars of any such conflict of interest which may arise.
- 29.2 The Authority reserves the right to terminate this Framework Agreement immediately by notice in writing and/or to take such other steps it deems necessary where, in the reasonable opinion of the Authority, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Supplier and the duties owed to the Authority under the provisions of this Framework Agreement. The actions of the Authority pursuant to this Clause 29.2 of this Schedule 2 shall not prejudice or affect any right of action or remedy which shall have accrued or shall subsequently accrue to the Authority.
- 29.3 The Supplier shall take all reasonable steps to prevent Fraud by Staff and the Supplier (including its owners, members and directors). The Supplier shall notify the Authority immediately if it has reason to suspect that any Fraud has occurred or is occurring or is likely to occur.

30 Equality and human rights

- 30.1 The Supplier shall:

- 30.1.1 ensure that (a) it does not, whether as employer or as supplier of the Goods and any associated services, engage in any act or omission that would contravene the Equality Legislation, and (b) it complies with all its obligations as an employer or supplier of the Goods and any associated services as set out in the Equality Legislation and take reasonable endeavours to ensure its Staff do not unlawfully discriminate within the meaning of the Equality Legislation;

32 Assignment, novation and Sub-contracting

- 32.1 The Supplier shall not assign, Sub-contract, novate, create a trust in, or in any other way dispose of the whole or any part of this Framework Agreement without the prior consent in writing of the Authority, such consent not to be unreasonably withheld or delayed. If the Supplier Sub-contracts any of its obligations under this Framework Agreement, every act or omission of the Sub-contractor shall for the purposes of this Framework Agreement be deemed to be the act or omission of the Supplier and the Supplier shall be liable to the Authority as if such act or omission had been committed or omitted by the Supplier itself.
- 32.2 Any authority given by the Authority for the Supplier to Sub-contract any of its obligations under this Framework Agreement shall not impose any duty on the Authority to enquire as to the competency of any authorised Sub-contractor. The Supplier shall ensure that any authorised Sub-contractor has the appropriate capability and capacity to perform the relevant obligations and that the obligations carried out by such Sub-contractor are fully in accordance with this Framework Agreement.

If the Authority novates this Framework Agreement to any body that is not a Contracting Authority, from the effective date of such novation, the party assuming the position of the Authority shall not further transfer, assign, novate, sub-contract or otherwise dispose of its rights and obligations under this Framework Agreement or any part of this Framework Agreement without the prior written consent of the Supplier, such consent not to be unreasonably withheld or delayed by the Supplier.

33 **Prohibited Acts**

- 33.1.1 it has not committed any offence under the Bribery Act 2010 or done any of the following ("**Prohibited Acts**"):
- (i) offered, given or agreed to give any officer or employee of the Authority any gift or consideration of any kind as an inducement or reward for doing or not doing or for having done or not having done any act in relation to the obtaining or performance of this or any other agreement with the Authority or for showing or not showing favour or disfavour to any person in relation to this or any other agreement with the Authority; or

34 General

34.1 Each of the Parties is independent of the other and nothing contained in this Framework Agreement shall be construed to imply that there is any relationship between the Parties of partnership or of principal/agent or of employer/employee nor are the Parties hereby engaging in a joint venture and accordingly neither of the Parties shall have any right or authority to act on behalf of the other nor to bind the other by agreement or otherwise, unless expressly permitted by the terms of this Framework Agreement.

34.2 Without prejudice to Clause 34.1 above, the Authority, on its own behalf and as agent for each of the Participating Authorities, shall have the right to (but is not obliged to):

34.2.1 have conduct of all claims and disputes against the Supplier pursuant to this Framework Agreement or any Order (including having the right to conduct enforcement actions pursuant to individual Orders on the behalf of the relevant Participating Authority);

34.2.2 agree any variations to this Framework Agreement on behalf of all Participating Authorities without their specific consent;

34.2.3 have the right to enforce the terms, conditions, undertakings, representations, warranties and other provisions of:

(i) this Framework Agreement; or

(ii) any Order

on the behalf of all and any Participating Authorities; and

34.2.4 recover, on the behalf of the relevant Participating Authority, loss suffered by any of the Participating Authorities under this Framework Agreement or any Order.

Nothing in this Clause shall allow both the Authority and a Participating Authority to recover or claim for the same loss. The Authority shall not be required to comply with any additional procedures or requirements that the Supplier purports to require the Authority to follow in order to recover any loss.

34.3 Failure or delay by either Party to exercise an option or right conferred by this Framework Agreement shall not of itself constitute a waiver of such option or right.

34.4 The delay or failure by either Party to insist upon the strict performance of any provision, term or condition of this Framework Agreement or to exercise any right or remedy consequent upon such breach shall not constitute a waiver of any such breach or any subsequent breach of such provision, term or condition.

34.5 Any provision of this Framework Agreement which is held to be invalid or unenforceable in any jurisdiction shall be ineffective to the extent of such invalidity or unenforceability without invalidating or rendering unenforceable the remaining provisions of this Framework Agreement and any such invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provisions in any other jurisdiction.

34.6 Each Party acknowledges and agrees that it has not relied on any representation, warranty or undertaking (whether written or oral) in relation to the subject matter of this Framework Agreement and therefore irrevocably and

unconditionally waives any rights it may have to claim damages against the other Party for any misrepresentation or undertaking (whether made carelessly or not) or for breach of any warranty unless the representation, undertaking or warranty relied upon is set out in this Framework Agreement or unless such representation, undertaking or warranty was made fraudulently.

- 34.7 Each Party shall bear its own expenses in relation to the preparation and execution of this Framework Agreement including all costs, legal fees and other expenses so incurred.
- 34.8 The rights and remedies provided in this Framework Agreement are cumulative and not exclusive of any rights or remedies provided by general law, any rights or remedies provided elsewhere under this Framework Agreement or by any other contract or document. In this Clause 34.8 of this Schedule 2, right includes any power, privilege, remedy, or proprietary or security interest.
- 34.9 A person who is not a party to this Framework Agreement shall have no right to enforce any terms of it which confer a benefit on such person. No such person shall be entitled to object to or be required to consent to any amendment to the provisions of this Framework Agreement.
- 34.10 This Framework Agreement, any variation in writing signed by an authorised representative of each Party and any document referred to (explicitly or by implication) in this Framework Agreement or any variation to this Framework Agreement, contain the entire understanding between the Supplier and the Authority relating to the operation of this Framework Agreement to the exclusion of all previous agreements, confirmations and understandings and there are no promises, terms, conditions or obligations whether oral or written, express or implied other than those contained or referred to in this Framework Agreement. Nothing in this Framework Agreement seeks to exclude either Party's liability for Fraud. The Supplier shall pay any such sum within thirty (30) days from the date of such written notice.

- 1.2 The Supplier shall comply fully with its obligations set out in the Specification and/or the Order Form (to include, without limitation, the KPIs and all obligations in relation to the quality, performance characteristics, supply, delivery and installation and training in relation to use of the Goods).
- 1.3 Unless otherwise agreed by the Parties in writing, the Goods shall be new, consistent with any sample, and shall comply with any applicable specification set out in this Contract (to include, without limitation, the requirements set out in the Specification and the Supplier's response to such requirements) and any applicable manufacturers' specifications.
- 1.4 Without prejudice to Clause 2.1 of Schedule 1 of these Call-off Terms and Conditions, the Supplier shall ensure that all relevant consents, authorisations, licences and accreditations (including but not limited to a valid marketing authorisation issued by the Licensing Authority) required to supply the Goods are in place prior to the delivery of any Goods to the Authority.

- 1.5 The Supplier shall immediately and in any event within seven (7) days inform the Authority in writing if any marketing authorisation in relation to the Goods is:

1.5.1 withdrawn by the Licensing Authority for whatever reason;

1.5.2 suspended by the Licensing Authority for whatever reason; or

1.5.3 not renewed by the Licensing Authority following its expiry for whatever reason,

and, in each case, provide all relevant details and reasons to the Authority. If any marketing authorisation in relation to the Goods is withdrawn, suspended and/or not renewed by the Licensing Authority at any time during the Term the Authority shall be entitled to terminate this Contract with immediate effect on giving written notice to the Supplier.

- 1.6 If there are any incidents that in any way relate to or involve the use of the Goods by the Authority, the Supplier shall cooperate fully with the Authority in relation to the Authority's application of the Policies on reporting and responding to all incidents, including serious incidents requiring investigation, and shall respond promptly to any reasonable and proportionate queries, questions and/or requests for information that the Authority may have in this context in relation to the Goods.
- 1.7 If there are any quality, performance and/or safety related reports, notices, alerts or other communications issued by the Supplier or any regulatory or other body in relation to the Goods, the Supplier shall promptly provide the Authority with a copy of any such reports, notices, alerts or other communications.
- 1.8 Upon receipt of any such reports, notices, alerts or other communications pursuant to Clause 1.5 of this Schedule 2 of these Call-off Terms and Conditions, the Authority shall be entitled to request further information from the Supplier and/or a meeting with the Supplier, and the Supplier shall cooperate fully with any such request.

2 Delivery

- 2.1 The Supplier shall deliver the Goods in accordance with any delivery timescales, delivery dates and delivery instructions (to include, without limitation, as to delivery location and delivery times) set out in the Specification, the Order Form or as otherwise agreed with the Authority in writing.
- 2.2 Delivery shall be completed when the Goods have cleared all relevant export and import customs, all relevant export and import duties have been paid by the Supplier for the relevant Goods, the Goods been unloaded at the location specified by the Authority and such delivery has been received by a duly authorised agent, employee or location representative of the Authority. The Authority shall procure that such duly authorised agent, employee or location

representative of the Authority is at the delivery location at the agreed delivery date and times in order to accept such delivery. Any arrangement by which the Goods are collected by the Authority in return for a discount on the Contract Price shall be agreed by the Parties in writing (where due to an emergency such arrangements cannot be committed to writing prior to collection, the Parties shall confirm such arrangements in writing as soon as possible following collection). Where the Authority collects the Goods, collection is deemed delivery for the purposes of the Contract.

- 2.3 The Supplier shall ensure that a delivery note shall accompany each delivery of the Goods. Such delivery note shall contain the information specified in the Specification or as otherwise agreed with the Authority in writing. Where such information requirements as to the content of delivery notes are not specified or separately agreed, such delivery notes shall, as a minimum, contain the Authority's order number, the name and address of the Authority, a description and quantity of the Goods, and shall show separately any extra agreed charges for containers and/or any other item not included in the Contract Price or, where no charge is made, whether the containers are required to be returned.
- 2.4 With the prior written agreement of both Parties, the arrangements set out in Clause 2.3 of this Schedule 2 of these Call-off Terms and Conditions may be suspended in favour of alternative arrangements (including use of an Electronic Trading System and new logistics process) provided that such alternative arrangements improve service levels and/or reduce costs for the benefit of the Authority.
- 2.5 Part deliveries and/or deliveries outside of the agreed delivery times/dates may be refused unless the Authority has previously agreed in writing to accept such deliveries. Where delivery of the Goods is refused by the Authority in accordance with this Clause 2.5 of this Schedule 2 of these Call-off Terms and Conditions, the Supplier shall be responsible for all risks, costs and expenses associated with the re-delivery of the Goods in accordance with the agreed delivery times/dates. Where the Authority accepts delivery more than five (5) days before the agreed delivery date, the Authority shall be entitled to charge the Supplier for the costs of insurance and storage of the Goods until the agreed date for delivery.
- 2.6 Unless otherwise set out in the Specification or agreed with the Authority in writing, the Supplier shall be responsible for carriage, insurance, transport, all relevant licences (including, at its own risk and expense, carry out all applicable export and import clearance requirements in relation to the Goods), all related costs (including all applicable export and import duties and taxes), and all other costs associated with the delivery of the Goods to the delivery location and unloading of the Goods at that location. Without limitation to the foregoing provision of this Clause 2.6 of this Schedule 2 of these Call-off Terms and Conditions, unless otherwise stated in the Specification or agreed with the Authority in writing, the Supplier shall be responsible for obtaining all export and import licences for the Goods and shall be responsible for any delays to the

delivery time due to such licences not being available when required. In the case of any Goods supplied from outside the United Kingdom, the Supplier shall ensure that accurate information is provided to the Authority as to the country of origin of the Goods and the Supplier shall be liable to the Authority for any extra duties or taxes for which the Authority may be accountable in relation to the Goods.

- 2.7 If the Supplier has notified the Authority in the Offer (or otherwise in writing) that it has appointed, or it intends to appoint, a third party (including, without limitation, a full line national or regional pharmaceutical wholesalers as appointed by the Department of Health and Social Care) to act as its distribution agent:-

2.7.1 such appointment shall not relieve the Supplier of its obligations under this Contract; and

2.7.2 the Supplier shall be liable for the acts or omissions of its distribution agent. Without prejudice to the generality of the foregoing, the Supplier agrees that any delivery time agreed between the authority and the distribution agent in writing shall be binding on the Supplier.

3 Passing of risk and ownership

- 3.1 Risk in the Goods shall pass to the Authority when the Goods are delivered as specified in this Contract or, in the case of Goods which require installation by the Supplier, when that installation process is complete.

- 3.2 Ownership of the Goods shall pass to the Authority on the earlier of:

3.2.1 full payment for such Goods; or

3.2.2 where the goods are consumables or are non-recoverable (e.g. used in clinical procedures), at the point such Goods are taken into use. For the avoidance of doubt, where ownership passes in accordance with this Clause 3.2.2 of this Schedule 2 of these Call-off Terms and Conditions, then the full Contract Price for such Goods shall be recoverable by the Supplier from the Authority as a debt if there is non-payment of a valid undisputed invoice issued by the Supplier to the Authority in relation to such Goods.

- 3.3 All tools, equipment and materials of the Supplier required in the performance of the Supplier's obligations under this Contract shall be and remain at the sole risk of the Supplier, whether or not they are situated at a delivery location.

4 Inspection, rejection, return and recall

- 4.1 As relevant and proportionate to the Goods in question and subject to reasonable written notice, the Supplier shall permit any person authorised by the Authority, to inspect work being undertaken in relation to the Goods and/or

the storage facilities used in the storage of the Goods at all reasonable times at the Supplier's premises or at the premises of any Sub-contractor or agent of the Supplier in order to confirm that the Goods are being manufactured and/or stored in accordance with Good Industry Practice and in compliance the requirements of this Contract and/or that stock holding and quality assurance processes are in accordance with the requirements of this Contract.

- 4.2 Without prejudice to the provisions of Clause 4.6 of this Schedule 2 of these Call-off Terms and Conditions and subject to Clause 4.7 of this Schedule 2 of these Call-off Terms and Conditions, the Authority shall visually inspect the Goods within a reasonable time following delivery (or such other period as may be set out as part of the requirements in the Specification, if any) and may by written notice reject any Goods found to be damaged or otherwise not in accordance with the requirements of this Contract ("**Rejected Goods**"). The whole of any delivery may be rejected if a reasonable sample of the Goods taken indiscriminately from that delivery is found not to conform in all material respects to the requirements of the Contract.
- 4.3 Without prejudice to the provisions of Clause 4.5 of this Schedule 2 of these Call-off Terms and Conditions, upon the rejection of any Goods in accordance with the Key Provisions and/or Clauses 4.2 and/or 4.6 of this Schedule 2 of these Call-off Terms and Conditions, the Supplier shall at the Authority's written request:
- 4.3.1 collect the Rejected Goods at the Supplier's risk and expense within ten (10) Business Days of issue of written notice from the Authority rejecting the Goods; and
 - 4.3.2 when rejected in accordance Clauses 4.2 and/or 4.6 of this Schedule 2 of these Call-off Terms and Conditions, without extra charge, promptly (and in any event within twenty (20) Business Days or such other time agreed by the Parties in writing acting reasonably) supply replacements for the Rejected Goods to the Authority subject to the Authority not cancelling its purchase obligations in accordance with Clause 4.5 of this Schedule 2 of these Call-off Terms and Conditions.

If the Supplier requests and the Authority accepts that the Rejected Goods should be disposed of by the Authority rather than returned to the Supplier, the Authority reserves the right to charge the Supplier for the costs associated with the disposal of the Rejected Goods and the Supplier shall promptly pay any such costs.

- 4.4 Risk and title in respect of any Rejected Goods shall pass to the Supplier on the earlier of: (a) collection by the Supplier in accordance with Clause 4.3 of this Schedule 2 of these Call-off Terms and Conditions; or (b) immediately following the expiry of ten (10) Business Days from the Authority issuing written notification rejecting the Goods. If Rejected Goods are not collected within ten (10) Business Days of the Authority issuing written notification rejecting the

Goods, the Authority may return the Rejected Goods at the Supplier's risk and expense and charge the Supplier for the cost of storage from the expiry of ten (10) Business Days from the date of notification of rejection.

- 4.5 Where the Authority rejects any Goods in accordance with the Key Provisions, Clauses 4.2 and/or 4.6 of this Schedule 2 of these Call-off Terms and Conditions and the Authority no longer requires replacement Goods, the Authority may by written notice cancel its purchase obligations in relation to such quantity of Rejected Goods. Should the Authority have paid for such Rejected Goods the Supplier shall refund such payment to the Authority within thirty (30) days of the Authority cancelling such purchase obligations and informing the Supplier that the Authority does not require replacements for such Rejected Goods.
- 4.6 Without prejudice to any other provisions of this Contract or any other warranties or guarantees applicable to the Goods supplied and subject to Clause 4.7 of this Schedule 2 of these Call-off Terms and Conditions, if at any time following the date of the delivery of any Goods, all or any part of such Goods are found to be defective or otherwise not in accordance with the requirements of this Contract ("**Defective Goods**"), the Supplier shall, at the Authority's discretion:
- 4.6.1 upon written request and without charge, promptly (and in any event within twenty (20) Business Days or such other time agreed by the Parties in writing acting reasonably) remedy the deficiency by repairing such Defective Goods; or
- 4.6.2 upon written notice of rejection from the Authority, treat such Defective Goods as Rejected Goods in accordance with Clauses 4.2 to 4.5 of this Schedule 2 of these Call-off Terms and Conditions.
- 4.7 The Supplier shall be relieved of its liabilities under Clauses 4.2 to 4.5 (inclusive) and/or Clause 4.6 of this Schedule 2 of these Call-off Terms and Conditions to the extent only that the Goods are damaged, there are defects in the Goods and/or the Goods fail to comply with the requirements of this Contract due, in each case, to any acts or omissions of the Authority.
- 4.8 The Authority's rights and remedies under Clause 4.6 of this Schedule 2 of these Call-off Terms and Conditions shall cease within a reasonable period of time from the date on which the Authority discovers or might reasonably be expected to discover that the Goods are Defective Goods or within such other period as may be set out as part of the requirements in the Specification, if any. For the avoidance of doubt, Goods not used before their expiry date shall in no event be considered Defective Goods following the date of expiry provided that at the point such Goods were delivered to the Authority they met any shelf life requirements set out in the Specification.

4.9 Where the Supplier is required by Law, Guidance, and/or Good Industry Practice to order a product recall ("**Requirement to Recall**") in respect of the Goods, the Supplier shall:

4.9.1 promptly (taking into consideration the potential impact of the continued use of the Goods on patients, service users and the Authority as well as compliance by the Supplier with any regulatory requirements) notify the Authority in writing of the recall together with the circumstances giving rise to the recall;

4.9.2 from the date of the Requirement to Recall treat the Goods the subject of such recall as Defective Goods in accordance with Clause 4.6 of this Schedule 2 of these Call-off Terms and Conditions;

4.9.3 consult with the Authority as to the most efficient method of executing the recall of the Goods and use its reasonable endeavours to minimise the impact on the Authority of the recall; and

4.9.4 indemnify and keep the Authority indemnified against, any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings suffered or incurred by the Authority as a result of such Requirement to Recall.

5.1 The Supplier will employ sufficient Staff to ensure that it complies with its obligations under this Contract. This will include, but not be limited to, the Supplier providing a sufficient reserve of trained and competent Staff during Staff holidays or absence.

5.2 The Supplier shall ensure that all Staff are aware of, and at all times comply with, the Policies.

5.3 The Supplier shall employ only such persons as are careful, skilled and experienced in the duties required of them, and will ensure that every such person is properly and sufficiently trained and instructed and shall maintain throughout the Term all appropriate licences and registrations with any relevant bodies (at the Supplier's expense) and has the qualifications to carry out their duties.

5.4 The Supplier shall comply with the Authority's staff vetting procedures and other staff protocols, as may be relevant to this Contract and which are notified to the Supplier by the Authority in writing.

6 Business continuity

6.1 Throughout the Term, the Supplier will ensure its Business Continuity Plan provides for continuity during a Business Continuity Event. The Supplier

confirms and agrees such Business Continuity Plan details and will continue to detail robust arrangements that are reasonable and proportionate to:

- 6.1.1 the criticality of this Contract to the Authority;
- 6.1.2 the impact of and any disruption caused by EU Exit;
- 6.1.3 any reasonably foreseeable risks; and
- 6.1.4 the size and scope of the Supplier's business operations,

regarding continuity of the supply of Goods during and following a Business Continuity Event.

- 6.2 The Supplier shall test its Business Continuity Plan at reasonable intervals, and in any event no less than once every twelve (12) months or such other period as may be agreed between the Parties taking into account the criticality of this Contract to the Authority and the size and scope of the Supplier's business operations. The Supplier shall promptly provide to the Authority, at the Authority's written request, copies of its Business Continuity Plan, reasonable and proportionate documentary evidence that the Supplier tests its Business Continuity Plan in accordance with the requirements of this Clause 7.2 of this Schedule 2 of these Call-off Terms and Conditions and reasonable and proportionate information regarding the outcome of such tests. The Supplier shall provide to the Authority a copy of any updated or revised Business Continuity Plan within fourteen (14) Business Days of any material update or revision to the Business Continuity Plan.
- 6.3 Should a Business Continuity Event occur at any time, the Supplier shall implement and comply with its Business Continuity Plan and provide regular written reports to the Authority on such implementation.
- 6.4 During and following a Business Continuity Event, the Supplier shall use reasonable endeavours to continue to supply the Goods in accordance with this Contract.

7 The Authority's obligations

- 7.1 Subject to the Supplier supplying the Goods in accordance with this Contract, the Authority will pay the Supplier for the Goods in accordance with Clause 11 of this Schedule 2 of these Call-off Terms and Conditions.
- 7.2 The Authority shall, as appropriate, provide copies of or give the Supplier access to such of the Policies that are relevant to the supply and delivery of the Goods.
- 7.3 The Authority shall comply with the Authority's Obligations.

- 7.4 The Authority shall provide the Supplier with any reasonable and proportionate cooperation necessary to enable the Supplier to comply with its obligations under this Contract. The Supplier shall at all times provide reasonable advance written notification to Authority of any such cooperation necessary in circumstances where such cooperation will require the Authority to plan for and/or allocate specific resources in order to provide such cooperation.

8 Contract management

- 8.1 Each Party shall appoint and retain a Contract Manager who shall be the primary point of contact for the other Party in relation to matters arising from this Contract. Should the Contract Manager be replaced, the Party replacing the Contract Manager shall promptly inform the other Party in writing of the name and contact details for the new Contract Manager. Any Contract Manager appointed shall be of sufficient seniority and experience to be able to make decisions on the day to day operation of the Contract. The Supplier confirms and agrees that it will be expected to work closely and cooperate fully with the Authority's Contract Manager.
- 8.2 Each Party shall ensure that its representatives (to include, without limitation, its Contract Manager) shall attend review meetings on a regular basis to review the performance of the Supplier under this Contract and to discuss matters arising generally under this Contract. Each Party shall ensure that those attending such meetings have the authority to make decisions regarding the day to day operation of the Contract. Review meetings shall take place at the frequency specified in the Specification. Should the Specification not state the frequency, then the first such meeting shall take place on a date to be agreed on or around the end of the first month after the Commencement Date. Subsequent meetings shall take place at monthly intervals or as may otherwise be agreed in writing between the Parties.
- 8.3 Two weeks prior to each review meeting (or at such time and frequency as may be specified in the Specification) the Supplier shall provide a written contract management report to the Authority regarding the supply of the Goods and the operation of this Contract. Unless otherwise agreed by the Parties in writing, such contract management report shall contain:
- 8.3.1 details of the performance of the Supplier when assessed in accordance with the KPIs since the last such performance report;
 - 8.3.2 details of any complaints by the Authority in relation to the supply of Goods, their nature and the way in which the Supplier has responded to such complaints since the last review meeting written report;

The Supplier shall inform the Authority in writing of any suggested amendments to the minutes within five (5) Business Days of receipt of the draft minutes. If the Supplier does not respond to the Authority within such five (5) Business Days the minutes will be deemed to be approved. Where there are any differences in interpretation of the minutes, the Parties will use their reasonable endeavours to reach agreement. If agreement cannot be reached the matter shall be referred to, and resolved in accordance with, the dispute resolution process set out in Clause 5 of the Key Provisions and Clause 26.3 of this Schedule 2 of these Call-off Terms and Conditions.
- 8.5 The Supplier shall provide such management information as the Authority may request from time to time within seven (7) Business Days of the date of the request. The Supplier shall supply the management information to the Authority in such form as may be specified by the Authority and, where requested to do so, the Supplier shall also provide such management information to another Contracting Authority, whose role it is to: (a) analyse such management information in accordance with UK government policy (to include, without limitation, for the purposes of analysing public sector expenditure and planning future procurement activities); or (b) manage the Framework Agreement with the Supplier ("**Third Party Body**"). The Supplier confirms and agrees that the Authority may itself provide the Third Party Body with management information relating to the Goods purchased, any payments made under this Contract and any other information relevant to the operation of this Contract.
- 8.6 Upon receipt of management information supplied by the Supplier to the Authority and/or the Third Party Body, or by the Authority to the Third Party Body, the Parties hereby consent to the Third Party Body and the Authority:
- 8.6.1 storing and analysing the management information and producing statistics; and
- 8.6.2 sharing the management information, or any statistics produced using the management information with any other Contracting Authority.
- 8.7 If the Third Party Body and/or the Authority shares the management information or any other information provided under Clause 8.6 of this Schedule 2 of these Call-off Terms and Conditions, any Contracting Authority receiving the management information shall, where such management information is subject to obligations of confidence under this Contract and such management information is provided direct by the Authority to such Contracting Authority, be informed of the confidential nature of that information by the Authority and shall

be requested by the Authority not to disclose it to any body that is not a Contracting Authority (unless required to do so by Law).

- 8.8 The Authority may make changes to the type of management information which the Supplier is required to supply and shall give the Supplier at least one (1) month's written notice of any changes.

9 Price and payment

- 9.1 The Contract Price shall be calculated in accordance with the provisions of the Framework Agreement, as confirmed in the Order Form.

- 9.2 Unless otherwise stated in the Framework Agreement and/or the Order Form, the Contract Price:

9.2.1 shall remain fixed during the Term; and

9.2.2 is the entire price payable by the Authority to the Supplier in respect of the provision of the Goods and includes, without limitation:

- (i) packaging, packing materials, addressing, labelling, loading, delivery to and unloading at the delivery location, all appropriate tax (excluding VAT) and duty (including any import and/or export tariff, tax and/or duty), administration, any installation costs and associated works, the costs of all associated documentation and information supplied or made accessible to the Authority in any media, and any training in relation to the use, storage, handling or operation of the Goods;
- (ii) any royalties, licence fees or similar expenses in respect of the making, use or exercise by the Supplier of any Intellectual Property Rights for the purposes of performing this Contract, and any licence rights granted to the Authority in accordance with Clause 11 of this Schedule 2 of these Call-off Terms and Conditions; and
- (iii) costs and expenses in relation to supplies and materials used by the Supplier or any third party in the manufacture of the Goods, and any other costs incurred by the Supplier in association with the manufacture, supply or installation of the Goods.

- 9.3 Unless stated otherwise in the Framework Agreement and/or the Order Form:

9.3.1 where the Framework Agreement and/or the Order Form confirms that the payment profile for this Contract is monthly in arrears, the Supplier shall invoice the Authority, within fourteen (14) days of the end of each calendar month, the Contract Price in respect of the

Goods supplied in compliance with this Contract in the preceding calendar month; or

- 9.3.2 where Clause 9.3.1 of this Schedule 2 of these Call-off Terms and Conditions does not apply, the Supplier shall invoice the Authority for Goods at any time following completion of the supply of the Goods in compliance with this Contract.

Each invoice shall contain such information and be addressed to such individual as the Authority may inform the Supplier from time to time. Each invoice may be submitted electronically by the Supplier if it complies with the standard on electronic invoicing as set out in the European standard and any of the syntaxes published in Commission Implementing Decision (EU) 2017/2870.

- 9.4 The Contract Price is exclusive of VAT, which, if properly chargeable, the Authority shall pay at the prevailing rate subject to receipt from the Supplier of a valid and accurate VAT invoice. Such VAT invoices shall show the VAT calculations as a separate line item.
- 9.5 Where the Contract Price is or may become subject to any pricing requirements of any voluntary and/or statutory pricing regulation schemes, the Parties shall comply with such pricing requirements as required by Law from time to time and specifically as required by the statutory pricing regulation scheme (and any future regulation) or to the extent applicable to the Supplier from time to time as an industry member of a voluntary scheme, including any reductions in price by reason of the application of such schemes.
- 9.6 The Authority shall verify and pay each valid and undisputed invoice in accordance with this Clause 9.6 within thirty (30) days of receipt of such invoice at the latest. However, the Authority shall use its reasonable endeavours to pay such undisputed invoices sooner in accordance with any applicable government prompt payment targets. If there is undue delay in verifying the invoice in accordance with this Clause 9.6 of this Schedule 2 of these Call-off Terms and Conditions, the invoice shall be regarded as valid and undisputed for the purposes of Clause 9.6 of these Call-off Terms and Conditions after a reasonable time has passed.
- 9.7 Where the Authority raises a query with respect to an invoice the Parties shall liaise with each other and agree a resolution to such query within thirty (30) days of the query being raised. If the Parties are unable to agree a resolution within thirty (30) days the query shall be referred to dispute resolution in accordance with Clause 26 of this Schedule 2 of these Call-off Terms and Conditions. For the avoidance of doubt, the Authority shall not be in breach of any of its payment obligations under this Contract in relation to any queries or disputed invoice sums unless the process referred to in this Clause 9.7 of this Schedule 2 of these Call-off Terms and Conditions has been followed and it has been determined that the queried or disputed invoice amount is properly

due to the Supplier and the Authority has then failed to pay such sum within a reasonable period following such determination.

9.8 Where the Supplier enters into a Sub-contract, the Supplier shall include in that Sub-contract:

9.8.1 provisions having the same effect as Clauses 9.6 to 9.7 of this Schedule 2 of these Call-off Terms and Conditions; and

In this Clause 9 of this Schedule 2 of these Call-off Terms and Conditions, a **"Sub-contract"** means a contract between two or more suppliers, at any stage of remoteness from the Authority in a subcontracting chain, made wholly or substantially for the purpose of performing (or contributing to the performance of) the whole or any part of this Contract.

9.9 The Authority reserves the right to set-off:

9.9.1 any monies due to the Supplier from the Authority against any monies due to the Authority from the Supplier under this Contract; and

9.9.2 any monies due to Authority from the Supplier as against any monies due to the Supplier from the Authority under this Contract.

9.10 Where the Authority is entitled to receive any sums (including, without limitation, any costs, charges or expenses) from the Supplier under this Contract, the Authority may invoice the Supplier for such sums. Such invoices shall be paid by the Supplier within 30 days of the date of such invoice.

9.11 If a Party fails to pay any undisputed sum properly due to the other Party under this Contract, the Party due such sum shall have the right to charge interest on the overdue amount at the applicable rate under the Late Payment of Commercial Debts (Interest) Act 1998, accruing on a daily basis from the due date up to the date of actual payment, whether before or after judgment.

- 14.6 The Supplier shall from time to time and in any event within five (5) Business Days of written demand provide documentary evidence to the Authority that insurance arrangements taken out by the Supplier pursuant to Clause 14 of this Schedule 2 of these Call-off Terms and Conditions and/or the provisions of the Framework Agreement are fully maintained and that any premiums on them and/or contributions in respect of them (if any) are fully paid.
