26. Procurement Legislation Disclosure

26.1 For the purposes of this Clause 26:

Term	Meaning
“Appropriate Authority”	means an appropriate authority for the purpose of the Procurement Legislation;
“Disclosure Obligation”	means: <ul style="list-style-type: none">(a) any obligation to publish information arising under Procurement Legislation which the Authority considers applicable to the Contract, including without limitation obligations to publish copies of the Contract and information relating to the Service Provider’s performance under the Contract; and(b) any obligation to provide information to an Appropriate Authority;

“Procurement Legislation”

means the Procurement Act 2023, all regulations made under it and any amendment or re-enactment of any of them and any relevant guidance or recommendations issued by the Cabinet Office or an Appropriate Authority (including in each case their successors or assigns).

26.2 The Service Provider acknowledges that the Authority:

26.2.1 is subject to the Procurement Legislation and agrees to assist and cooperate with the Authority to enable the Authority to comply with the Disclosure Obligations; and

26.2.2 without prejudice to the Authority’s other rights, powers or remedies, may disclose information as the Authority considers appropriate (in its absolute discretion) to comply with the Disclosure Obligations. The Authority shall be responsible for determining whether any information is exempt from disclosure under the Procurement Legislation.

26.3 Without limiting the generality of Clause 26.2, the Service Provider shall, and shall procure that its subcontractors shall:

26.3.1 provide the Authority with such information that the Authority requests within five (5) Business Days of a request from the Authority (or such longer period as the Authority may reasonably specify), and in such forms as the Authority may reasonably specify; and

to comply with the Authority’s Disclosure Obligations.

26.4 The Authority may in its absolute discretion consult with the Service Provider regarding any proposed information to be disclosed pursuant to the Disclosure Obligations. The Authority shall make the final decision regarding disclosure, publication and any redaction of such information

27. Dispute Resolution

27.1 The Authority and the Service Provider shall use all reasonable endeavours to negotiate in good faith and settle any dispute or difference that may arise out of or relate to the Contract (“**Dispute**”) before resorting to litigation.

27.2 If the Dispute is not settled through discussion between the Contract Manager and a representative of the Service Provider within a period of seven (7) Business Days of the date on which the Dispute arose, the Parties may refer the Dispute in writing to a director or chief executive (or equivalent) (“**Senior Personnel**”) of each of the Parties for resolution.

27.3 If the Dispute is not resolved within 14 Business Days of referral to the Senior Personnel, the Parties shall attempt in good faith to resolve the Dispute through

entry into a structured mediation or negotiation with the assistance of a mediator. Either Party may give notice to the other Party (“**Notice**”) to commence such process and the Notice shall identify one or more proposed mediators.

- 27.4 If the Parties are unable to agree on a mediator, or if the agreed mediator is unable or unwilling to act within 28 Business Days of the service of the Notice, either Party may apply to the Centre for Effective Dispute Resolution (“**CEDR**”) in London to appoint a mediator. The costs of that mediator shall be divided equally between the Parties or as the Parties may otherwise agree in writing.
- 27.5 Where a dispute is referred to mediation under Clause 27.3, the Parties will attempt to settle such Dispute by mediation in accordance with the model mediation procedures published by CEDR or such other procedures as the mediator may recommend.
- 27.6 If the Parties reach agreement on the resolution of the Dispute, such agreement shall be recorded in writing and once signed by the Parties’ authorised representatives, shall be final and binding on the Parties.
- 27.7 If either Party refuses at any time to participate in the mediation procedure and in any event if the Parties fail to reach agreement on the Dispute within 40 Business Days of the service of the Notice either Party may commence proceedings in accordance with Clause 42.
- 27.8 For the avoidance of doubt, the Service Provider shall continue to provide the Services in accordance with the Contract and without delay or disruption while the Dispute is being resolved pursuant to this Clause 27.
- 27.9 Neither Party shall be prevented from, or delayed in, seeking any order for specific performance or for interim or final injunctive relief as a result of the provisions of this Clause 27 and Clause 27 shall not apply in respect of any circumstances where such remedies are sought.

28. Breach and Termination of Contract

- 28.1 Without prejudice to the Authority’s right to terminate at common law, the Authority may terminate the Contract immediately upon giving notice to the Service Provider if:
 - 28.1.1 In addition and without prejudice to Clauses 28.1.2 to 28.1.6 (inclusive), the Service Provider has committed any material or persistent breach of the Contract and in the case of such a breach that is capable of remedy fails to remedy that breach within 10 Business Days (or such other timeframe as specified in writing by the Authority) from the date of written notice to the Service Provider giving details of the breach and requiring it to be remedied;
 - 28.1.2 the Service Provider is subject to an Insolvency Event;
 - 28.1.3 in the event that there is:

- 28.1.3.1 a change of ownership referred to in Clause 9.6 or the Service Provider is in breach of Clause 9.6; or
 - 28.1.3.2 a breach of the Service Provider's obligations under Clause 17.4 or 17.5;
 - 28.1.4 the Authority is not satisfied on the issue of any conflict of interest in accordance with Clause 10;
 - 28.1.5 the Service Provider or any of its officers, employees or agents commits any act of bribery or other offence described in the Bribery Act 2010 and/or the Criminal Finances Act 2017;
 - 28.1.6 if the circumstances under section 72(3) of the Procurement Act 2023 apply;
 - 28.1.7 the Service Provider fails to comply in the performance of the Services with legal obligations in the fields of environmental, social or labour law; or
 - 28.1.8 the Authority becomes entitled to terminate the Contract under Clause 28.2.
- 28.2 The Authority may, where it considers that a Supplier Exclusion Ground applies, terminate the Contract in accordance with the provisions of this Clause 28.2, as follows:
 - 28.2.1 the Authority shall serve notice on the Service Provider of its intention to terminate which shall:
 - 28.2.1.1 specify which Supplier Exclusion Ground the Authority considers applies and the reasons for the Authority deciding to terminate on this basis;
 - 28.2.1.2 invite the Service Provider to make representations to the Authority about the existence of the Supplier Exclusion Ground and the Authority's decision to terminate;
 - 28.2.1.3 specify the period within which the Service Provider must make such representations;
 - 28.2.1.4 if applicable, specify a reasonable period (determined at the sole discretion of the Authority) within which the Service Provider is required to have (or procured that its Subcontractor or subcontractor of any tier has) ceased subcontracting to the Excluded Supplier or Excludable Supplier, and, if the Authority considers necessary, appoint an alternative supplier who is approved by the Authority;
 - 28.2.2 on expiry of the period referred to in Clause 28.2.1.3 (and, where applicable, 28.2.1.4) then, if after considering the Service Provider's representations, the Authority is satisfied that the termination ground

applies, it shall be entitled to terminate the Contract immediately upon written notice or after such period as the Authority specifies in such notice (in its absolute discretion).

- 28.3 Without prejudice to any of the Authority's other rights, powers or remedies (whether under the Contract or otherwise) if the Service Provider is in breach of any of its warranties, or obligations either under Clause 6 or any other provision of this Contract, the Service Provider shall, if required to do so by the Authority, promptly remedy and/or re-perform the Services or part of them at its own expense to ensure compliance with such warranties and obligations. Nothing in this Clause 28.2 shall prevent the Authority from procuring the provision of any Services or any remedial action in respect of any Services from an alternative contractor and, where the Authority so procures any Services or any remedial action, the Authority shall be entitled to recover from the Service Provider all additional cost, loss and expense incurred by the Authority and attributable to the Authority procuring such Services or remedial action from such alternative contractor.
- 28.4 Neither Party shall be deemed to be in breach of the Contract, or otherwise liable to the other Party in any manner whatsoever, for any failure or delay in performing its obligations under the Contract to the extent that such failure or delay is due to a Force Majeure Event. If a Force Majeure Event has continued for more than 8 weeks from the date on which that Force Majeure Event first arose and is having a material adverse effect on either Party's performance of its obligations under the Contract (the "**Affected Party**"), then for as long as such Force Majeure Event continues and has that effect, the Party not affected by such Force Majeure Event ("**Innocent Party**") may terminate the Contract immediately upon giving notice to the Affected Party. If the Contract is terminated in accordance with this Clause 28.4 then without prejudice to any rights and liabilities which accrued prior to termination the Affected Party shall not be liable to the Innocent Party by reason of such termination.
- 28.5 Without prejudice to the Authority's right to terminate the Contract under Clause 28.1 or to terminate at common law, the Authority may terminate the Contract at any time without cause subject to giving the Service Provider written notice of the period specified in Schedule 1, provided that this Clause 28.5 may be disapplied by notice to that effect in Schedule 1.
- 28.6 Without prejudice to the Authority's right to terminate the Contract under Clauses 28.1, 28.5 or at common law, the Authority may terminate the Contract at any time following a Set Aside Order in accordance with the provisions of Clause 30.
- 28.7 To the extent that the Authority has a right to terminate the Contract under this Clause 28 then, as an alternative to termination, the Authority may by giving notice to the Service Provider require the Service Provider to provide part only of the Services with effect from the date specified in the Authority's notice ("**Change Date**") whereupon the provision of the remainder of the Services will cease and the definition of "the Services" shall be construed accordingly. The Charges applicable with effect from the Change Date will be adjusted

proportionately or if in the Authority's opinion a proportionate adjustment would not be reasonable in such manner as the Authority may determine.

29. Consequences of Termination or Expiry

- 29.1 Notwithstanding the provisions of Clause 24, wherever the Authority chooses to put out to tender for a replacement service provider some or all of the Services, the Service Provider shall disclose to tenderers such information concerning the Services as the Authority may require for the purposes of such tender and shall also comply with all requirements as are set out at Schedule 8. The Service Provider may impose upon any recipient of such information such obligations of confidentiality as it may require.
- 29.2 The termination or expiry of the Contract shall not prejudice or affect any right, power or remedy which has accrued or shall accrue to either Party prior to or after such termination or expiry.
- 29.3 Upon expiry or termination of the Contract (howsoever caused):
- 29.3.1 the Service Provider shall, at no further cost to the Authority:
- 29.3.1.1 take all such steps as shall be necessary to agree with the Authority a plan for the orderly handover of Services to the Authority (or its nominee), such that the Services can be carried on with the minimum of interruption and inconvenience to the Authority and to effect such handover; and
- 29.3.1.2 on receipt of the Authority's written instructions to do so (but not otherwise), arrange to remove all electronically held information by a mutually agreed date, including the purging of all disk-based information and the reformatting of all disks.
- 29.3.2 the Authority shall (subject to Clauses 18, 29.1 and 29.4 and the provisions of any security for due performance supplied by the Service Provider) pay the Service Provider any Charges remaining due in relation to any Services properly performed in accordance with the Contract up to the date of termination or expiry calculated so far as is possible in accordance with Schedule 4 or otherwise reasonably determined by the Authority.
- 29.4 On termination of all or any part of the Contract, the Authority may enter into any agreement with any third party or parties as the Authority thinks fit to provide any or all of the Services and (save where terminated under Clause 28.5) the Service Provider shall be liable for all additional expenditure reasonably incurred by the Authority in having such services carried out and all other costs and damages reasonably incurred by the Authority in consequence of such termination. The Authority may deduct such costs from the Charges or otherwise recover such costs from the Service Provider as a debt.

30. Set Aside Order and Public Procurement Termination Event

- 30.1 In the event that a court makes a Set Aside Order, the Authority shall promptly notify the Service Provider. The Parties agree that the provisions of Clause 29 and Clauses 30.1, 30.2, 30.4 to 30.6 (inclusive) and 30.13 shall apply as from the time when the Set Aside Order is made.
- 30.2 The Set Aside Order shall not prejudice or affect any right, liability or remedy which has accrued or shall accrue to either Party prior to or after such Set Aside Order in respect of the period prior to the Set Aside Order, save as otherwise expressly provided to the contrary in Clauses 30.1 to 30.6 inclusive.
- 30.3 During any court proceedings seeking a Set Aside Order, the Authority may require the Service Provider to prepare a Cessation Plan in accordance with this Clause 30.3 by issuing a notice in writing. As from the date of receipt by the Service Provider of such notification from the Authority, the Parties (acting reasonably and in good faith) shall agree or, in the absence of such agreement, the Authority shall reasonably determine an appropriate Cessation Plan with the object of achieving:
- 30.3.1 an orderly and efficient cessation of the Services or (at the Authority's request) a transition of the Services to the Authority or such other entity as the Authority may specify; and
 - 30.3.2 minimal disruption or inconvenience to the Authority or to customers of the Services or to public passenger transport services or facilities,
- in accordance with the provisions of Clauses 30.2 to 30.6 (inclusive) and which the Parties agree would have effect in the event that a Set Aside Order is made.
- 30.4 Where there is any conflict or discrepancy between the provisions of Clause 29 and Clauses 30.2 to 30.6 (inclusive) and 30.13 or the Cessation Plan, the provisions of these Clauses 30.2 to 30.6 (inclusive) and 30.13 and the Cessation Plan shall prevail.
- 30.5 The Parties will comply with their respective obligations under the Cessation Plan (as agreed by the Parties or, where agreement cannot be reached, as reasonably determined by the Authority) in the event that a Set Aside Order is made.
- 30.6 The Authority shall pay the Services Provider's reasonable costs in assisting the Authority in preparing, agreeing and complying with the Cessation Plan. Such costs shall be based on any comparable costs or Charges agreed as part of this Contract or as otherwise reasonably determined by the Authority. Provided that the Authority shall not be liable to the Service Provider for any loss of profit, revenue, goodwill or loss of opportunity as a result of the early termination of this Contract pursuant to any Set Aside Order.
- 30.7 Without prejudice to the Authority's rights of termination implied into the Contract by section 78(1) of the Procurement Act 2023 but subject to Clause 30.8, in the event that the Authority exercises its right to terminate pursuant to this

Clause 30.7 (a “**Public Procurement Termination Event**”), the Authority shall promptly notify the Service Provider and the Parties agree that:

30.7.1 the provisions of Clause 29 and these Clauses 30.7 to 30.13 (inclusive) shall apply as from the date of receipt by the Service Provider of the notification of the Public Procurement Termination Event; and

30.7.2 if there is any conflict or discrepancy between the provisions of Clause 29 and these Clauses 30.7 to 30.13 or the Cessation Plan, the provisions of these Clauses 30.7 to 30.13 and the Cessation Plan shall prevail.

30.8 In the event of a Public Procurement Termination Event, the Authority shall serve a notice on the Service Provider of its intention to terminate which shall:

30.8.1 provide the Authority’s reasons for considering that Public Procurement Termination Grounds have occurred and the reasons for the Authority deciding to terminate on this basis; and

30.8.2 invite the Service Provider to make representations to the Authority about the occurrence of the Public Procurement Termination Grounds and the Authority’s decision to terminate; and

30.8.3 specify the period within which the Service Provider must make such representations,

and on expiry of the period referred to in Clause 30.8.3 above, if after considering the Service Provider’s representations, the Authority is satisfied that the Public Procurement Termination Grounds apply the Authority may terminate the Contract in accordance with Clause 30.7.

30.9 Termination on the Public Procurement Termination Grounds shall not prejudice or affect any right, liability or remedy which has accrued or shall accrue to either Party prior to or after such termination on Public Procurement Termination Grounds, in respect of the period prior to such termination, save as otherwise expressly provided in Clauses 30.7 to 30.12 inclusive.

30.10 As from the date of receipt by the Service Provider of the notification of the termination on Public Procurement Termination Grounds, the Parties (acting reasonably and in good faith) shall agree or, in the absence of such agreement, the Authority shall reasonably determine an appropriate Cessation Plan with the object of achieving:

30.10.1 an orderly and efficient cessation or (at the Authority's election) a transition to the Authority or such other entity as the Authority may specify of: (i) the Services; or (at Authority's election), (ii) the part of the Services which are affected by the Public Procurement Termination Grounds; and

30.10.2 minimal disruption or inconvenience to the Authority or to customers of the Services or to public passenger transport services or facilities,

in accordance with the provisions of these Clauses 30.7 to 30.12 (inclusive) and to take account of the circumstances of the Public Procurement Termination Grounds.

- 30.11 Upon agreement, or determination by the Authority, of the Cessation Plan the Parties will comply with their respective obligations under the Cessation Plan.
- 30.12 The Authority shall pay the Service Provider's reasonable costs in assisting the Authority in preparing, agreeing and complying with the Cessation Plan. Such costs shall be based on any comparable costs or Charges agreed as part of this Contract or as otherwise reasonably determined by the Authority, provided that the Authority shall not be liable to the Service Provider for any loss of profit, revenue, goodwill or loss of opportunity as a result of the early termination of this Contract as a result of Public Procurement Termination Grounds.
- 30.13 For the avoidance of doubt, the provisions of this Clause 30 (and applicable definitions) shall survive any termination of the Contract following a Set Aside Order or termination on Public Procurement Termination Grounds.

31. **Survival**

The provisions of Clauses 1, 3.1.3, 4, 5, 6.1.4, 8.1, 9.2.2, 9.2.3, 11.1.1, 11.1.2, 11.1.5, 11.2, 15, 17-21 (inclusive), 22.2, 23-27 (inclusive), 29, 30-33 (inclusive), 35-42 (inclusive) and any other Clauses or Schedules that are necessary to give effect to those Clauses shall survive termination or expiry of the Contract. In addition, any other provision of the Contract which by its nature or implication is required to survive the termination or expiry of the Contract shall do so.

32. **Rights of Third Parties**

- 32.1 Save that any member of the Authority Group has the right to enforce the terms of the Contract in accordance with the Contracts (Rights of Third Parties) Act 1999 ("**Third Party Act**"), the Parties do not intend that any of the terms of the Contract will be enforceable by virtue of the Third Party Act by any person not a party to it.
- 32.2 Notwithstanding Clause 32.1, the Parties are entitled to vary or rescind the Contract without the consent of any other person including any member of the Authority Group.

33. **Contract Variation**

Save where the Authority may require an amendment to the Services and/or this Contract is amended pursuant to the Service Provider's exercise of any Supply Chain Finance Option, the Contract may only be varied or amended with the written agreement of both Parties. Save for any variations or amendments to reflect the Service Provider's exercise of any Supply Chain Finance Option (the mechanism for which is set out at Part 2 of Schedule 6) the details of any variations or amendments shall be set out in such form as the Authority may dictate and which may be substantially in the form set out in Part 1 of Schedule 6 and shall not be binding upon the Parties unless completed in accordance with such form of variation.

34. Novation

- 34.1 The Authority may novate or otherwise transfer the Contract (in whole or in part).
- 34.2 Within 10 Business Days of a written request from the Authority, the Service Provider shall at its expense execute such agreement as the Authority may reasonably require to give effect to any such transfer all or part of its rights and obligations under the Contract to one or more persons nominated by the Authority.
- 34.3 Subject to Clause 9, the Contract is personal to the Service Provider who shall not assign the benefit or delegate the burden of the Contract or otherwise transfer any right or obligation under the Contract without the prior written consent of the Authority.

35. Non-Waiver of Rights

No waiver of any of the provisions of the Contract is effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with the provisions of Clause 37. The single or partial exercise of any right, power or remedy under the Contract shall not in any circumstances preclude any other or further exercise of it or the exercise of any other such right, power or remedy.

36. Illegality and Severability

If any provision of the Contract (in whole or in part) is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed from the Contract and the remaining provisions shall continue in full force and effect as if the Contract had been executed without the invalid, illegal, or unenforceable provision. In the event that in the Authority's reasonable opinion such a provision is so fundamental as to prevent the accomplishment of the purpose of the Contract, the Authority and the Service Provider shall immediately commence good faith negotiations to remedy such invalidity.

37. Notices

- 37.1 With the exception of invoices, any notice, demand or communication in connection with this Contract will be in writing and may be delivered by hand or prepaid recorded delivery first class post addressed to the recipient at its registered office, the address stated in Schedule 1 or any other address notified to the other Party in writing in accordance with this Clause as an address to which notices and other documents may be sent. The notice, demand or communication will be deemed to have been duly served:
- 37.1.1 if delivered by hand, at the time of delivery; or
- 37.1.2 if delivered by post, two (2) Business Days after being posted or in the case of Airmail 14 Business Days after being posted.

38. Entire Agreement

38.1 Subject to Clause 38.2:

38.1.1 the Contract and all documents referred to in the Contract, contains all of the terms which the Parties have agreed relating to the subject matter of the Contract and such documents and supersedes and extinguishes any prior drafts, agreements, undertakings, representations, warranties and arrangements of any nature whatsoever, whether or not in writing relating to the provision of the Services. Neither Party has been induced to enter into the Contract by a statement which the Contract does not contain; and

38.1.2 without prejudice to the Service Provider's obligations under the Contract, the Service Provider is responsible for and shall make no claim against the Authority in respect of any misunderstanding affecting the basis of the Service Provider's tender in respect of the Contract or any incorrect or incomplete information howsoever obtained.

38.2 Nothing in this Clause 38 excludes any liability which one Party would otherwise have in respect of any statement it has made fraudulently to the other Party.

39. Counterparts

This Contract may be executed in any number of counterparts or duplicates, each of which shall be an original, and such counterparts or duplicates shall together constitute one and the same agreement.

40. Relationship of the Parties

Nothing in the Contract constitutes, or shall be deemed to constitute, a partnership between the Parties. Except as expressly provided in the Contract, neither Party shall be deemed to be the agent of the other, nor shall either Party hold itself out as the agent of the other.

41. Further Assurance

Each Party will do or procure the doing of all acts and things and execute or procure the execution of all such documents as the other Party reasonably considers necessary to give full effect to the provisions of the Contract.

42. Governing Law

42.1 The Contract shall be governed by and construed in accordance with the law of England and Wales.

42.2 Without prejudice to Clause 27, the courts of England and Wales will have exclusive jurisdiction to settle any dispute which may arise out of or in connection with the Contract.

- 42.3 Either Party may seek interim injunctive relief or any other interim measure of protection in any court of competent jurisdiction.
- 42.4 Subject to Clause 42.3, each Party waives any objection to, and submits to, the jurisdiction of the courts of England and Wales.
