With an unrivalled offering, our Prismatics collection is perfect for colourful installations with over 60 gloss and satin shades available, spanning the entire colour spectrum. Ranging from vibrant, eye-catching colours, to neutral, warmer shades, Prismatics has it all. With colour graduated tonal profiles, it is easier for specifiers to identify complementary shades quickly and easily. Co-ordinated fittings are also available in selected colours to provide a complete finished look.

Marmoleum

Marmoleum is Forbo's iconic linoleum flooring solution featuring up to 98% natural raw materials and is climate positive without the need for offsetting.

Forbo Flooring Systems is the global leader in Linoleum flooring through our Marmoleum flooring collection. A natural flooring solution renowned for durability, Marmoleum is a high-quality sustainable flooring solution with innovative designs for various commercial settings.

Marmoleum is truly versatile as it's available in a multitude of designs and colours that can mimic many materials – from wood and marble effects to patterned flooring. With over 300 colours and over 12 different structures and in sheet and modular tile formats, Marmoleum is the premium commercial flooring choice.
