Drawing copyright of Ross Davy Associates
Used figured dimensions only, do not scale from this drawing
All materials specified are to be used in strict accordance with manufacturers written instructions and current codes of practice
Should the project fall under the scope of the Equality Act, Party Wall Act or the CDM Regulations, it is the Employer's responsibility to initiate the following:
- Disabled Access Audit
- Party Wall Notice and Survey (if required)
- Pre-Construction Health and Safety Plan
These drawings are to be considered as Preliminary and for information only until technical approval has been obtained from the relevant Local Authority/Approved Consultant. Commencement of work on site prior to these approvals is at the Client's/Contractor's risk.

Inspections and Surveys
Where elements of the construction are not visible during the survey, it is the contractor's responsibility to identify structural elements such as floor joists and supporting structures, prior to any demolition works and inform client / architectural consultant. Additional works may therefore be necessary. Our survey does not include any destructive investigations.
