

LFE Parish Hall footway to park perimeter

Friday 4 April 2025

Prepared For LFE Parish Council

4 Issues Identified

ISSUE 1

Assigned To LFE Parish Hall

Excavate footway and cart away from site to a depth of 75mm to allow 50mm of 20mm binder and 25mm of 6mm dense wearing course. Total area within the park is 863m²

Allow for 40 linear meters of timber gravel boards to be replaced as you cannot check there condition, this figure may be adjusted during works. Redress topsoil to new footway and seed on completion.

Dimensions are

13.9x2 at court approach

477.3x1.7 around field

6.8x3.5 at farm gate entrance

These areas total 863m²

Prelims

Welfare

Compound fencing/ skip location

Predestination segregation
