

Staffordshire County Council eSourcing Portal User Guide

Version 3 (27.02.2025)

These instructions have been produced to assist suppliers using the electronic sourcing platform. The County Council reserve the right to to update and re-issue the instructions with no prior notification to suppliers. Please note that the instructions are as accurate as possible and the County Council accepts no responsibility where the instructions differ from changes in the platform functionality.

This site operates best using Internet Explorer (versions 9 and above), or the latest versions of Safari, Firefox and Chrome. A screen resolution of 1024 x 768 or above is recommended.

For any urgent technical issues or forgotten passwords please use either the 'Contact Us' facility on the homepage.

It is important that you call Proactis with any issues encountered submitting tenders, especially if you leave uploading until the last day. (not recommended)

Staffordshire County Council E-Tendering Portal User Guide

Important Information - Points to remember

- It is the supplier's responsibility to ensure that a copy of ALL documentation is retained by the supplier prior to any submission.
- The supplier is required to download this document (and any other) from the portal to a secure location on their own server / computer drive. From this location the supplier is then able to populate and save the questionnaire as requested.
- Please ensure no individual attachment is greater than **10MB** in file/memory size.
- It is recommended that all submissions are PDF formatted prior to submission.
- Ensure that no uploaded portal attachments possess any software virus that prevents the County Council opening the documents post-deadline. Ensure also that any software media / file types used are commonplace to the County Council and that file types are not corrupt when uploaded. **It is always recommended to present documents in a PDF format to avoid such issues.** The County Council reserves the right to disqualify any tender submission which cannot be opened (for the reasons discussed) post-deadline.
- **NOTE** – It is the suppliers' responsibility to maintain an 'active' tender account throughout the process. Accounts tend to become inactive if a supplier mistakenly keys-in an incorrect password several times. It is not the responsibility of the Council to monitor the status of tenderer accounts. Please note for suppliers' who are subsidiaries or franchises of an organisation you will need to have your own email account and register for a password unique to your organisation.
- Please be aware that any tender communications may not be available to view if an account is inactive. In the first instance, please contact the Buyer direct to get the account re-instated. It is required that the supplier regularly checks the status of their tender accounts during a procurement. The Council is not responsible for any missed communications (or the consequences) due to inactive accounts or periods where suppliers take annual leave etc.
- It is the suppliers responsibility to update the eTendering portal with any changes in its staffing
- All returns must be made via the portal only and within the stated timescales.

- Suppliers are required to submit all clarification questions which arise during the Procurement period **in writing using the eTendering portal only**
- Suppliers who decide that they do not wish to apply for an opportunity once they have registered an interest can decline the opportunity. This makes the supplier “inactive” on the opportunity and you will no longer receive dialogues or alerts for that opportunity.

1. Supplier Self Registration

The portal can be found at <https://supplierlive.proactisp2p.com/Account/Login#>

Click 'Register' and populate all the fields including the Organisation ID which is created by the user. All fields with an asterix (*) are mandatory.

Self Registration

Register on our Supplier Network

Please follow these simple steps to register

1. Enter the following information and click the Register button to start the process.
2. An activation email will be sent to the email address of your Primary Contact.
3. Click on the link contained within the email to activate your account.

Not received your activation email yet? [Click here.](#)

Sign in Details

Email Address * Repeat Email Address *

Organisation Details

Organisation Name * Property Name/Number *

Address 1 * Address 2

Town * County

Postcode * Country *

Primary Correspondence Details

First Name * Surname *

Telephone Number *

Complete the information and click 'Register' at the bottom of the page. The system may ask you to confirm that your organisation is not already registered. Tick the appropriate box and continue. Or the system will explain that your account needs to be authenticated.

Thank you

Your registration is being processed.

1. An activation email has been sent to the email address of your primary contact.
2. Click on the link contained within the email to activate your account.

The system will send you an email. Check all mail boxes, including trash and spam. Click the link 'Click here to activate your account' in the email to return to the Portal and enter your details. It is important that you do this within 24 hours of receiving the email. Complete the fields and click 'Next'.

Step One: Organisation Details

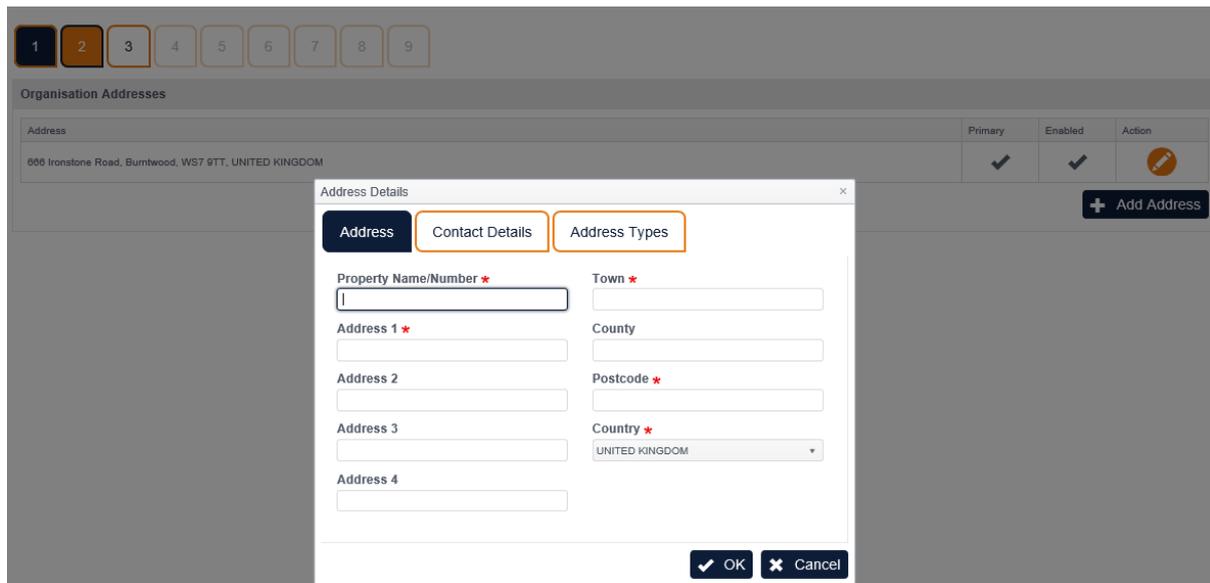

The screenshot shows the 'Self Registration | Step 1 of 9' interface. At the top, there are navigation buttons: 'Save & Continue Later', 'Back', and 'Next'. A progress indicator shows steps 1 through 9, with step 1 highlighted. A 'Welcome' tooltip is displayed over the 'Next' button, containing the following text: '1 Welcome. Don't worry! There are a number of steps you need to go through in order to complete your registration but go at your own pace. We automatically save your data after each step and you can click 'Save & Continue Later' if you want to save what you've done and come back to it when you have more time. Click 'Next' to take the short tour.' Below the navigation, the form is titled 'Organisation Details' and includes:

- Organisation Name: Think Pad Ltd
- Registration Number: [input field] Not Applicable
- VAT Number: [input field] Not Applicable
- DUNS Number: [input field] Not Applicable
- Construction Industry Scheme (CIS) Details: CIS Registration Type: [dropdown menu]
- Organisation Type:
 - Public Company
 - Limited Liability Company
 - Partnership
 - Sole Trader
 - Limited Liability Partnership
 - Government Body
 - Third Sector

Complete the fields or select 'Not Applicable'. Once complete click the next arrow  to move onto step two. Your profile can be amended at any time after registration using the arrow icon  in the top right corner. There is a tour available to help you understand the system

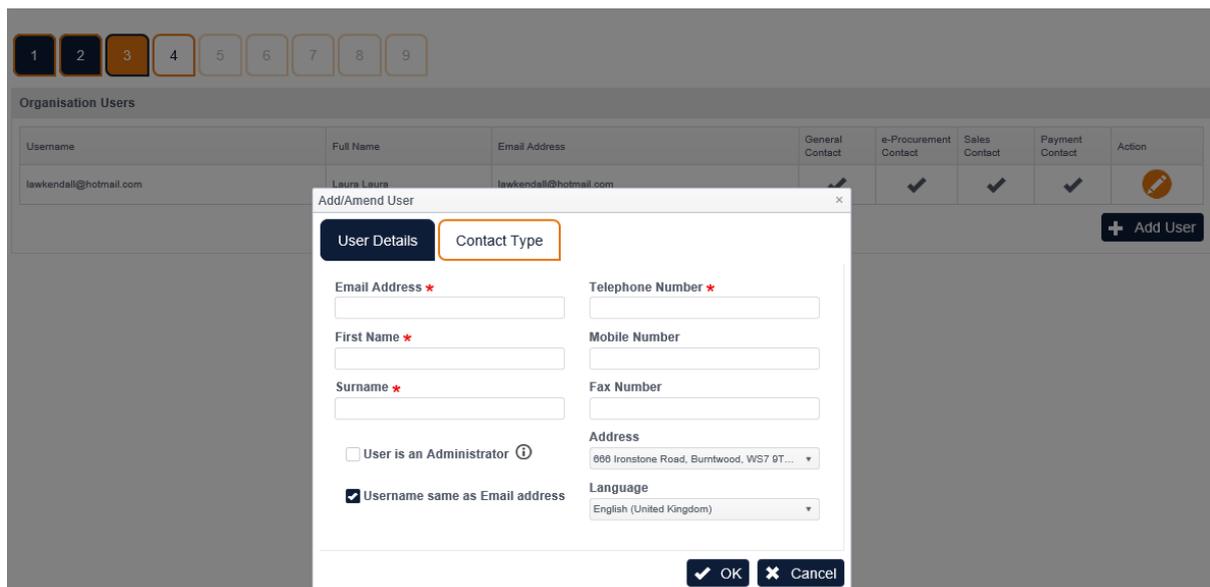

Step Two: Addresses

If you wish to add more addresses click on 'Add Address' and populate the fields, click 'OK' to save.

To amend an address, click the pencil . Work through the tabs. Click 'Ok' to save or 'Cancel' to close the box. Click 'Next' to move to Step Three.

Step Three: Users

Click 'Add User' to add additional staff to your account. Click 'Ok' to save or 'Cancel'. To edit details of an existing user, click the pencil underneath the Action tab or click 'Next' to move on.

Step Four: What you Sell

The system uses CPV (Common Procurement Vocabulary) classification codes to identify what you sell. In the search box type key words that describe what you sell and click. The results will be displayed below.

Opportunity | SREQ1002664 Register Interest

Description

Stafford Borough Council (SBC) is seeking to commission a suitably qualified and experienced company for the project management, design, supply and installation of all equipment and associated impact absorbing surfacing, include for all necessary ground works, surfacing, landscaping and reinstatement.

The successful applicant must be able to provide a fully managed service regarding the contract and provide one main point of contact within the organisation who will project manage the contract. Under no circumstances are applicants allowed to discuss this contract with members of the public.

The site is approximately 5.4 hectares in size, accommodating a traditional play area, Multi Use Games Area (MUGA), three adult size grass football pitches, playing fields, car park and changing facilities for the football pitches.

The project start date and end date will depend on the work plan submitted by each supplier. Please note the project will need to be completed by 31st December 2019.

Contract Start Date
11 February 2019

Contract End Date
31 December 2019

Customer Name Staffordshire County Council	Allow multiple responses? No
Title IA1512 - Redevelopment, Project Management and Design of Play Facilities at Chamley Road Open Space	Allow response re-submit before deadline? Yes
Description Stafford Borough Council (SBC) is seeking to commission a suitably qualified and experienced company for the project management, design, supply and installation of all equipment and associated impact absorbing surfacing, include for all necessary ground works, surfacing, landscaping and reinstatement. The successful applicant must be able to provide a fully managed service regarding the contract and provide one main point of contact within the organisation who will project manage the contract. Under no circumstances are applicants allowed to discuss this contract with members of the public. The site is approximately 5.4 hectares in size, accommodating a traditional play area, Multi Use Games Area (MUGA), three adult size grass football pitches, playing fields, car park and changing facilities for the football pitches. The project start date and end date will depend on the work plan submitted by each supplier. Please note the project will need to be completed by 31st December 2019.	Delivery Date 10 January 2019
Closing Date 31 January 2019 @ 12:00:00	Delivery Address Staffordshire Place 2 Tipping Street Stafford Staffordshire ST16 2DH UNITED KINGDOM

Download and read the 'Request Documentation' that the buyer has provided as part of the tender. Some of the documents need to be completed and returned to the buyer. The documents should be saved to your own computer to allow you to work on the opportunity

5. Returning a response

To do this, suppliers should navigate back to the opportunity.

Suppliers should ensure that you have completed any questions from under the questions tab

Suppliers will not be able to return a tender submission unless the Mandatory questions on this screen have been completed.

The Central Digital Platform

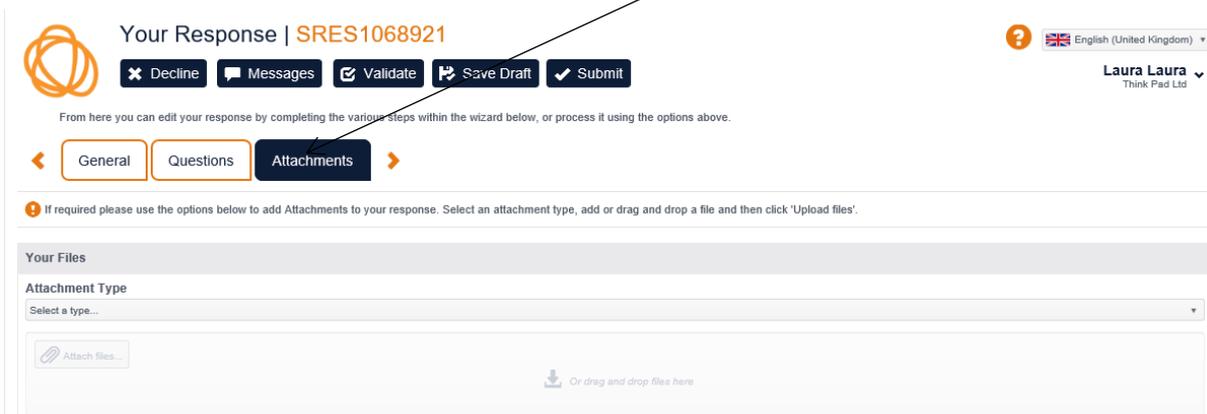

It is a **mandatory requirement** of the procurement procedure that you, the supplier, have registered and completed all the requirements within the Governments Central Digital Platform ('CDP') prior to any tender submission for this project. The CDP is completely independent and separate from the Authority's eTendering system.

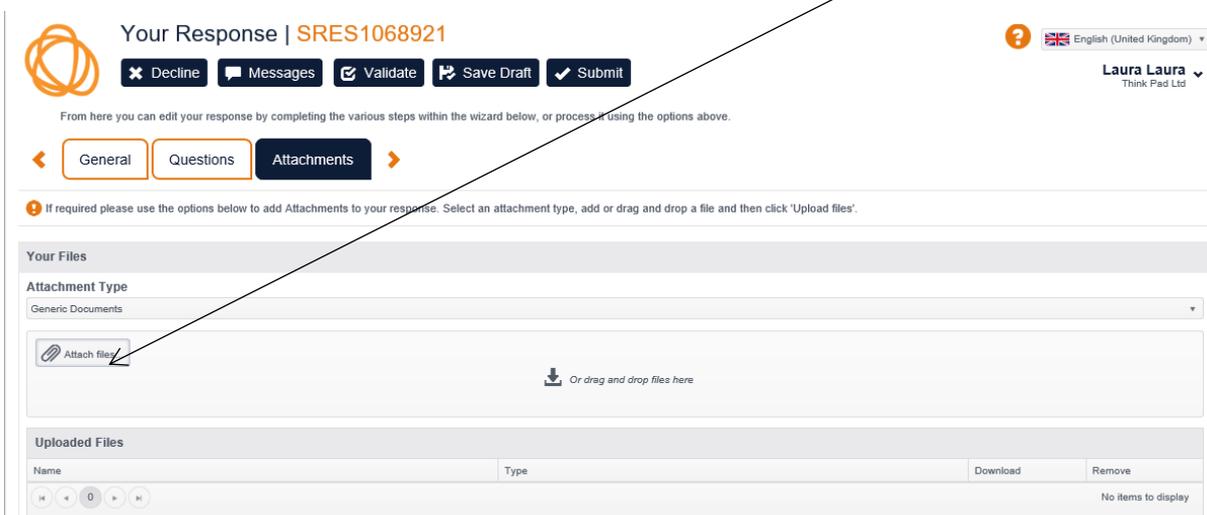

Tick the confirm button on the Central Digital Platform tab, once your data has been downloaded and added to the mandatory question on the questions tab

To return a response you need to do this this via the 'Attachments' button.

Under the "Your Files" section, choose the attachment type then press the "Attach Files", this will lead you through the process to add a document from your computer.

Once the file has been attached press “Upload Files”.

From here you can edit your response by completing the various steps within the wizard below, or process it using the options above.

ⓘ If required please use the options below to add Attachments to your response. Select an attachment type, add or drag and drop a file and then click 'Upload files'.

Your Files

Attachment Type
Generic Documents

Attach files...

Or drag and drop files here

PO000047488.pdf

Uploaded Files

Name	Type	Download	Remove
No items to display			

Failure to select both “attach” and “upload” for each document will result in documents not being submitted. Please note the submit button will still function irrespective of whether documents are attached or not.

All uploaded files will then be listed below the “Uploaded Files” section. A file will have only been successful if it highlights green and populates under this section.

If after you have selected the “Upload Files” button and your document gets a red bar across the document name (as shown below) then this file has **NOT** uploaded and therefore it will not have been uploaded or submitted.

Suppliers will have to try variations in re-uploading this – files size, file type, length of file name etc. as there is a problem with the document. Normally the error occurs due to the file name being too long.

Please Note: The Proactis system does not allow you to directly upload macro-enabled Excel documents, i.e. those files which have an extension .XLSM. Should you need to do this then please ZIP the Excel file, which the system will then readily accept.

Decline Messages Validate Save Draft Submit

From here you can edit your response by completing the various steps within the wizard below, or process it using the options above.

General Questions Attachments

If required please use the options below to add Attachments to your response. Select an attachment type, add or drag and drop a file and then click 'Upload files'.

Oops... Your response has failed the validation checks. Please correct the validation errors and try again.

If the tender does not contain a Question screen, please be aware that the submit button can be selected without any documents being uploaded. Please bear in mind that the system will automatically show the above green message and will also generate the below email even if no documents have been attached. Suppliers must ensure that the documents they wish to submit to the County Council are listed under the uploaded files section.

Once submitted you will receive a reference number / green flag (as shown above) together with a confirmation email as shown here: -

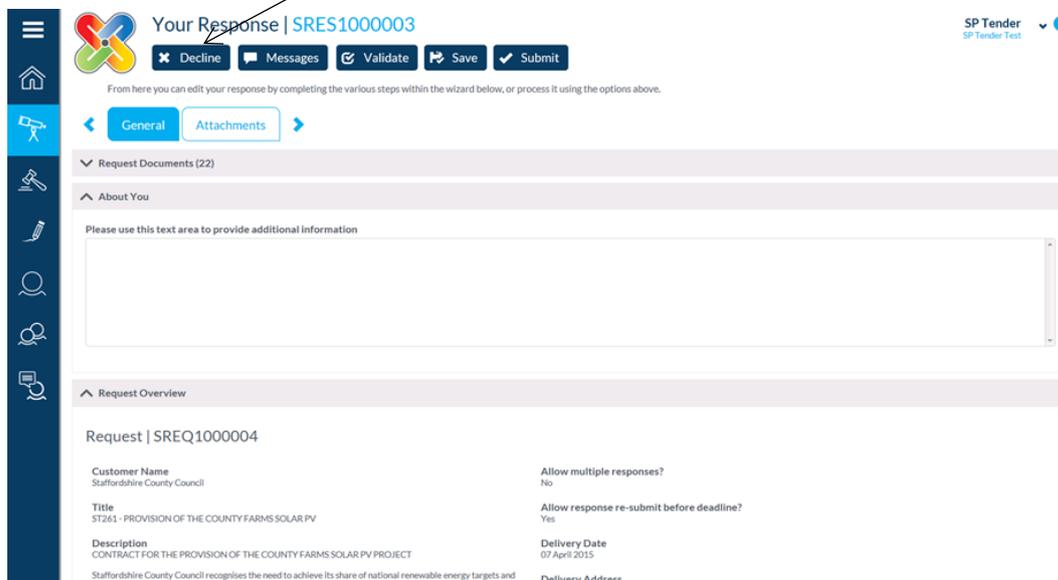

Please retain this email as evidence of submission as without it the Council or Proactis cannot progress any investigation into any perceived irregularity in submissions. Please check all inboxes including spam folders for this email each time you 'submit'.

Please Note: The County Council highly recommend that once a Supplier has clicked the Submit button that they return back to the opportunity to check that the documents which they wish to submit are visible under the "Attachments" section.

This can be done by selecting the "show me" button of the opportunity from the "Opportunities" tab on the home page and then selecting "Attachments"

6. Declining an opportunity

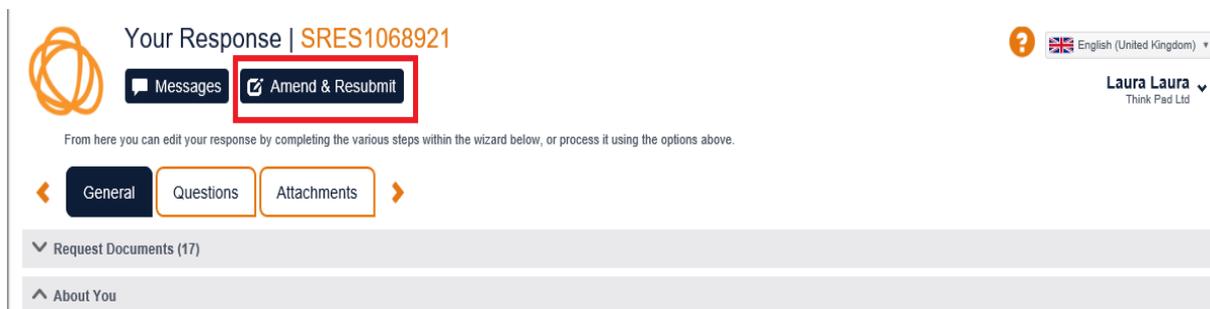

To do this suppliers should navigate back to the opportunity. To decline the opportunity you need to do this via the 'Decline' button.

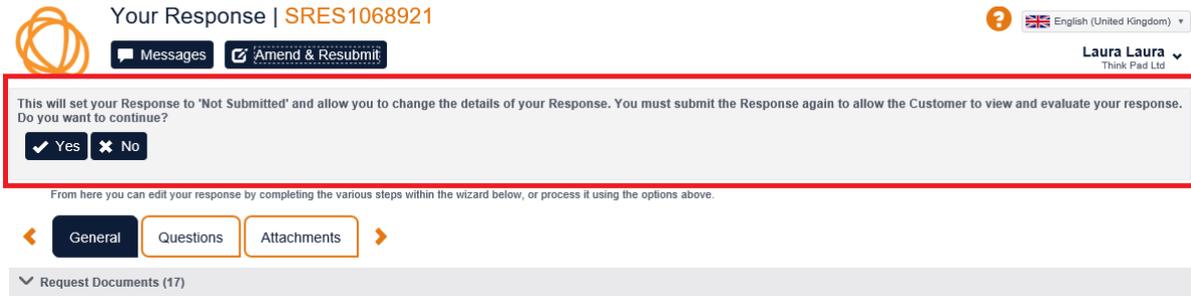

By declining an opportunity this makes your organisations status as “inactive” meaning you will no longer receive dialogue alerts in your registered email address for this opportunity. However, any messages that the County Council sends via the messages function will still be viewable by your organisation by navigating back to the opportunity and re-registering your interest.

7. Retracting and resubmitting a Bid

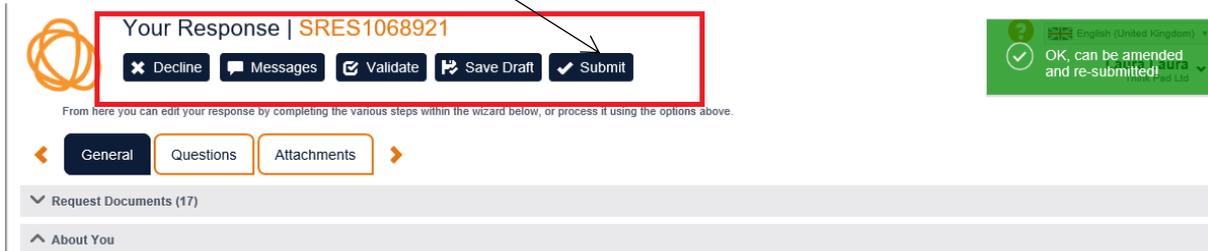

The portal allows suppliers to retract and resubmit a bid if required. When you return to the portal your response will have the following:

Once the “Amend & Resubmit” button has been clicked all attachments previously uploaded will be removed from the buyers’ view, the information message shown below warns suppliers **“This will set your Response to “NOT SUBMITTED” and allows you to change the details of your Response. You MUST submit the Response again to allow the Customer to view and evaluate your response. Do you want to continue?”**.

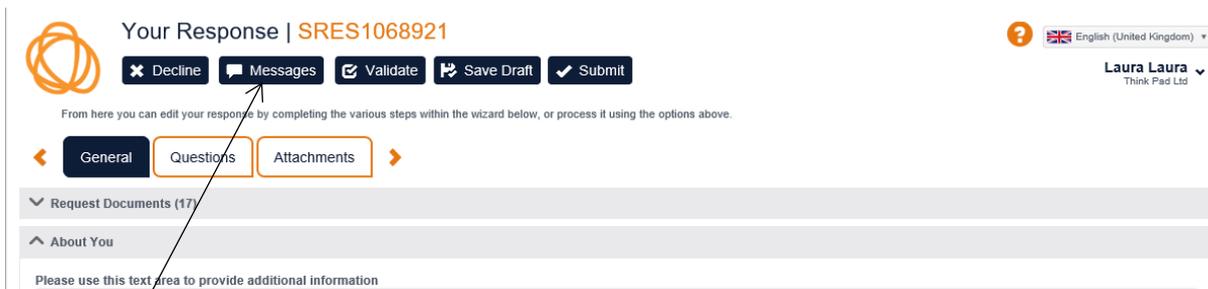

On selecting “**Yes**” you will remove your submitted bid from the County Councils view and you will be required to submit the bid again.

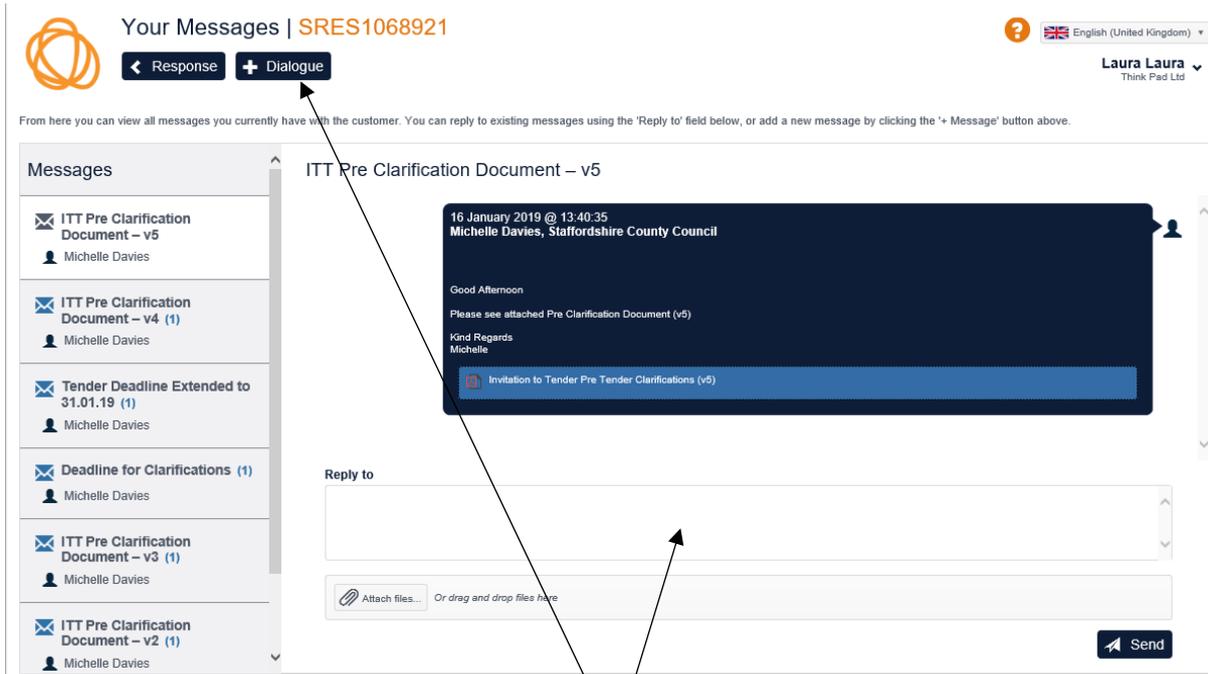

Please note that If you abort the screen at this stage for any reason without selecting the “**SUBMIT**” button you will have submitted **NO** bid.

8. To View or Send a Message/Clarification

Locate the tender you wish to raise a clarification about following the steps above.

Select ‘Messages’

To send a new message to the buyer select + Dialogue, complete the boxes as required followed by 'Send'. The buyer response will also be displayed here.

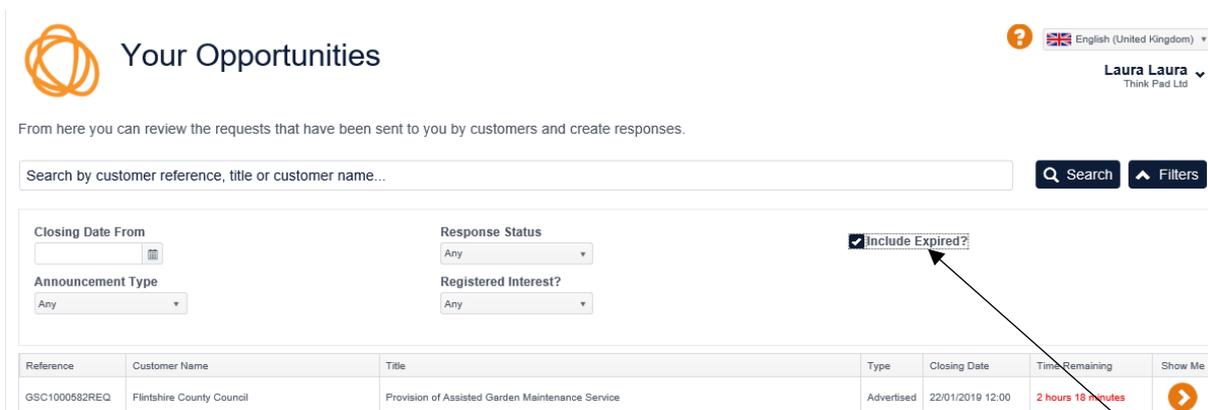

All message received for this opportunity build up on the left-hand side of the screen. You can also reply to a received message by typing in the "Reply to" box and selecting send

Suppliers are advised to periodically check the system for messages from the buyer and not be reliant on email prompts from the system

9. Viewing Submitted Documents Pre/Post Tender Deadline

If required, Suppliers can view submitted documents pre/post the tender deadline by doing the following: -

From the home screen select "Opportunities", ensure 'Filters' is pressed, and then ensure the menus and tick box is checked as follows: -

Enter your project number of the expired tender (if known), ensuring you select the "Include Expired" and hit 'Search'

IA1143 Search Filters
