2 General

- a. The Contractor shall comply with all applicable Legislation, whether specifically referenced in the Contract or not.
- b. Any variation to the Contract shall have no effect unless expressly agreed in writing and signed by both Parties.
- c. If there is any inconsistency between these terms and conditions and the purchase order or the documents expressly referred to therein, the conflict shall be resolved according to the following descending order of priority:
 - (1) the terms and conditions;
 - (2) the purchase order; and
 - (3) the documents expressly referred to in the purchase order.
- d. Neither Party shall be entitled to assign the Contract (or any part thereof) without the prior written consent of the other Party.
- e. Failure or delay by either Party in enforcing or partially enforcing any provision of the Contract shall not be construed as a waiver of its rights or remedies. No waiver in respect of any right or remedy shall operate as a waiver in respect of any other right or remedy.
- f. Save where expressly set out elsewhere in the Contract, the Parties to the Contract do not intend that any term of the Contract shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a Party to it.
- g. The Contract and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English Law, and subject to Clause 16 and without prejudice to the dispute resolution procedure set out therein, the Parties submit to the exclusive jurisdiction of the English courts. Other jurisdictions may apply solely for the purpose of giving effect to this clause 2.g and for enforcement of any judgement, order or award given under English jurisdiction.

3 Application of Conditions

- a. The purchase order, these terms and conditions and the specification govern the Contract to the entire exclusion of all other terms and conditions. No other terms or conditions are implied.
- b. The Contract constitutes the entire agreement and understanding and supersedes any previous agreement between the Parties relating to the subject matter of the Contract.

4 Disclosure of Information

Disclosure of information under the Contract shall be managed in accordance with DEFCON 531 (SC1).

5 Transparency

- a. Notwithstanding any other condition of the Contract, and in particular Clause 4, the Contractor agrees that the Authority may publish the Transparency Information to the general public.
- b. The Authority shall publish and maintain an up-to-date version of the Transparency Information in a format readily accessible and reusable by the general public under an open licence where applicable.
- c. The Contractor shall assist and co-operate with the Authority as reasonably required to enable the Authority to publish the Transparency Information. Where the Authority publishes Transparency Information, it shall redact any Sensitive Information and, where reasonably practicable, consult with the Contractor on the proposed redactions prior to publication.
- d. The Authority shall present information in a format that assists the general public in understanding the relevance and completeness of the information being published to ensure the public obtain a fair view on how the Contract is being performed.
- e. The parties agree that they will not disclose information in relation to the Contract in contravention of their obligations under data protection legislation. In this clause, "data protection legislation" has the same meaning as in the Data Protection Act 2018.

6 Notices

- a. A Notice served under the Contract shall be:
 - (1) in writing in the English language;
 - (2) authenticated by signature or such other method as may be agreed between the Parties;
 - (3) sent for the attention of the other Party's representative, and to the address set out in the purchase order;
 - (4) marked with the number of the Contract; and
 - (5) delivered by hand, prepaid post (or airmail), facsimile transmission or, if agreed in the purchase order, by electronic mail.
- b. Notices shall be deemed to have been received:
 - (1) if delivered by hand, on the day of delivery if it is the recipient's Business Day and otherwise on the first Business of the recipient immediately following the day of delivery;
 - (2) if sent by prepaid post, on the fourth Business Day (or the tenth Business Day in the case of airmail) after the day of

posting;

(3) if sent by facsimile or electronic means:

- (a) if transmitted between 09:00 and 17:00 hours on a Business Day (recipient's time) on completion of receipt by the sender of verification of the transmission from the receiving instrument; or
- (b) if transmitted at any other time, at 09:00 on the first Business Day (recipient's time) following the completion of receipt by the sender of verification of transmission from the receiving instrument.

7 Third Party Intellectual Property Rights Indemnity and Notification Restrictions

- a. The Contractor shall as its sole liability keep the Authority fully indemnified against an infringement or alleged infringement of any intellectual property rights or a claim for Crown use of a UK patent or registered design caused by the use, manufacture or supply of the Contractor Deliverables.
- b. The Authority shall promptly notify the Contractor of any infringement claim made against it relating to any Contractor Deliverable and, subject to any statutory obligation requiring the Authority to respond, shall permit the Contractor to have the right, at its sole discretion to assume, defend, settle or otherwise dispose of such claim. The Authority shall give the Contractor such assistance as it may reasonably require to dispose of the claim and will not make any statement which might be prejudicial to the settlement or defence of the claim.
- c. Notwithstanding any other provisions of the Contract and for the avoidance of doubt, award of the Contract by the Authority and placement of any contract task under it does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949. The Contractor acknowledges that any such authorisation by the Authority under its statutory powers must be expressly provided in writing, with reference to the acts authorised and the specific intellectual property involved.

Notification of Intellectual Property Rights (IPR) Restrictions

- d. Where any of the Conditions listed below (1 to 3) have been added to these Conditions of the Contract as Project Specific DEFCONs at Clause 21, the Contractor warrants and confirms that all Intellectual Property Rights restrictions and associated export restrictions relating to the use or disclosure of the Contractor Deliverables that are notifiable under those Conditions, or of which the Contractor is or should reasonably be aware as at Effective Date of Contract, are disclosed in Schedule 2 (Notification of Intellectual Property Rights (IPR) Restrictions):
 - (1) DEFCON 15 - including notification of any self-standing background Intellectual Property;
 - (2) DEFCON 90 - including copyright material supplied under clause 5;
 - (3) DEFCON 91 - limitations of Deliverable Software under clause 3b;
- e. The Contractor shall promptly notify the Authority in writing if they become aware during the performance of the Contract of any required additions, inaccuracies or omissions in Schedule 2.
- f. Any amendment to Schedule 2 shall be made in accordance with DEFCON 503 (SC1).

8 Supply of Contractor Deliverables and Quality Assurance

- a. This Contract comes into effect on the Effective Date of Contract.
- b. The Contractor shall supply the Contractor Deliverables to the Authority at the Firm Price stated in the Schedule to the purchase order.
- c. The Contractor shall ensure that the Contractor Deliverables:
 - (1) correspond with the specification;
 - (2) are of satisfactory quality (within the meaning of the Sale of Goods Act 1979, as amended) except that fitness for purpose shall be limited to the goods being fit for the particular purpose held out expressly by or made known expressly to the Contractor and in this respect the Authority relies on the Contractor's skill and judgement; and
 - (3) comply with any applicable Quality Assurance Requirements specified in the purchase order.
- d. The Contractor shall apply for and obtain any licences required to import any material required for the performance of the Contract in the UK. The Authority shall provide to the Contractor reasonable assistance with regard to any relevant defence or security matter arising in the application for any such licence.

9 Supply of Data for Hazardous Substances, Mixtures and Articles in Contractor Deliverables

- a. Nothing in this Clause 9 shall reduce or limit any statutory duty or legal obligation of the Authority or the Contractor.
- b. As soon as possible and in any event within the period specified in the purchase order (or if no such period is specified no later than one month prior to the delivery date), the Contractor shall provide to the Authority's representatives in the manner and format prescribed in the purchase order:
 - (1) confirmation as to whether to the best of its knowledge any of the Contractor Deliverables contain Hazardous Substances, Mixtures or Articles; and
 - (2) for each Substance, Mixture or Article supplied in meeting the criteria of classification as hazardous in accordance with the GB Classification, Labelling and Packaging (GB CLP) a UK REACH compliant Safety Data Sheet (SDS);
 - (3) where Mixtures supplied do not meet the criteria for classification as hazardous according to GB CLP but contain a hazardous Substance an SDS is to be made available on request; and
 - (4) for each Article whether supplied on its own or part of an assembly that contains a Substance on the UK REACH Authorisation List, Restriction List and / or the Candidate List of Substances of Very High Concern (SVHC) in a proportion greater than 0.1% w/w of the Article, sufficient information, available to the supplier, to allow safe use of the Article including, as

- a minimum, the name of that Substance at the time of supply.
- c. For substances, Mixtures or Articles that meet the criteria list in clause 9.b above:
- (1) if the Contractor becomes aware of new information which may affect the risk management measures or new information on the hazard, the Contractor shall update the SDS/safety Information and forward it to the Authority and to the address listed in the purchase order; and
 - (2) if the Authority becomes aware of new information that might call into question the appropriateness of the risk management measures identified in the safety information supplied, shall report this information in writing to the Contractor.
- d. If the Substances, Mixtures or Articles in Contractor Deliverables are Ordnance, Munitions or Explosives (OME), in addition to the requirements of the GB CLP and UK REACH the Contractor shall comply with hazard reporting requirements of DEF STAN 07-085 Design Requirements for Weapons and Associated Systems.
- e. If the Substances, Mixtures or Articles in Contractor Deliverables, are or contain or embody a radioactive substance as defined in the Ionising Radiation Regulations SI 2017/1075, the Contractor shall additionally provide details on DEFFORM 68 of:
- (1) activity; and
 - (2) the substance and form (including any isotope).
- f. If the Substances, Mixtures and Articles in Contractor Deliverables have magnetic properties which emit a magnetic field, the Contractor shall additionally provide details on DEFFORM 68 of the magnetic flux density at a defined distance, for the condition in which it is packed.
- g. Failure by the Contractor to comply with the requirements of this Condition shall be grounds for rejecting the affected Substances, Mixtures and Articles in Contractor Deliverables. Any withholding of information concerning hazardous Substance, Mixtures or Articles in Contractor Deliverables shall be regarded as a material breach of Contract under Condition 18 (Material Breach) for which the Authority reserves the right to require the Contractor to rectify the breach immediately at no additional cost to the Authority or to terminate the Contract in accordance with Condition 18.
- h. Where delivery is made to the Defence Fulfilment Centre (DFC) and / or other Team Leidos location / building, the Contractor must comply with the Logistic Commodities and Services Transformation (LCST) Supplier Manual.

10 Delivery / Collection

- a. The purchase order shall specify whether the Contractor Deliverables are to be delivered to the consignee by the Contractor or collected from the consignor by the Authority.
- b. Title and risk in the Contractor Deliverables shall pass from the Contractor to the Authority on delivery or on collection in accordance with clause 10.a.
- c. The Authority shall be deemed to have accepted the Contractor Deliverables within a reasonable time after title and risk has passed to the Authority unless it has rejected the Contractor Deliverables within the same period.

11. Marking of Contractor Deliverables

- a. Each Contractor Deliverable shall be marked in accordance with the requirements specified in the purchase order or if no such requirement is specified, the Contractor shall mark each Contractor Deliverable clearly and indelibly in accordance with the requirements of the relevant DEF-STAN 05-132 as specified in the contract or specification. In the absence of such requirements, the Contractor Deliverables shall be marked with the MOD stock reference, NATO Stock Number (NSN) or alternative reference number shown in the Contract.
- b. Any marking method used shall not have a detrimental effect on the strength, serviceability or corrosion resistance of the Contractor Deliverables.
- c. The marking shall include any serial numbers allocated to the Contractor Deliverable.
- d. Where because of its size or nature it is not possible to mark a Contractor Deliverable with the required particulars, the required information should be included on the package or carton in which the Contractor Deliverable is packed, in accordance with condition 12 (Packaging and Labelling (excluding Contractor Deliverables containing Ammunition or Explosives)).

12 Packaging and Labelling of Contractor Deliverables (Excluding Contractor Deliverables Containing Ammunition or Explosives)

- a. The Contractor shall pack or have packed the Contractor Deliverables in accordance with any requirements specified in the purchase order and Def Stan 81-041 (Part 1 and Part 6).
- b. The Contractor shall establish if the Contractor Deliverables are, or contain, Dangerous Goods as defined in the Regulations set out in this Clause 12. Any that do shall be packaged for UK or worldwide shipment by all modes of transport in accordance with the following unless otherwise specified in the Schedule to the purchase order:
- (1) the Technical Instructions for the Safe Transport of Dangerous Goods by Air (ICAO), IATA Dangerous Goods Regulations;
 - (2) the International Maritime Dangerous Goods (IMDG) Code;
 - (3) the Regulations Concerning the International Carriage of Dangerous Goods by Rail (RID); and
 - (4) the European Agreement Concerning the International Carriage of Dangerous Goods by Road (ADR).
- c. Certification markings, incorporating the UN logo, the package code and other prescribed information indicating that the package corresponds to the successfully designed type shall be marked on the packaging in accordance with the relevant regulation.

13 Plastic Packaging Tax

- a. The Contractor shall ensure that any PPT due in relation to the Contract is paid in accordance with the PPT Legislation.
- b. The Contract Price includes any PPT that may be payable by the Contractor in relation to the Contract.
- c. On reasonable notice being provided by the Authority, the Contractor shall provide and make available to the Authority details of any PPT they have paid that relates to the Contract.
- d. The Contractor shall notify the Authority, in writing, in the event that there is any adjustment required to the Contract Price in accordance with section 70 of the Finance Act 2021 and, on reasonable notice being provided by the Authority, the Contractor shall provide any such information that the Authority requires in relation to any such adjustment.
- e. In accordance with DEFCON 609 (SC1) the Contractor (and their Subcontractors) shall maintain all records relating to PPT and make them available to the Authority when requested on reasonable notice for reasons related to the Contract.
- f. Where the Contractor manufactures, purchases or imports into the UK any Plastic Packaging Component in relation to the Contract the Contractor shall, on reasonable notice being given, provide the Authority with such information and documentation that it requires to enable the Authority to carry out due diligence checks and satisfy itself that the Contractor has complied with the requirements of the PPT Legislation. This shall include, but is not limited to the Contractor providing:
 - (1) confirmation of the tax status of any Plastic Packaging Component;
 - (2) documents to confirm that PPT has been properly accounted for;
 - (3) product specifications for the packaging components, including, but not limited to, the weight and composition of the products and any other product specifications that may be required; and
 - (4) copies of any certifications or audits that have been obtained or conducted in relation to the provision of Plastic Packaging Components.
- g. The Authority shall have the right, on providing reasonable notice, to physically inspect or conduct an audit on the Contractor, to ensure any information that has been provided in accordance with clause 13.f above is accurate.
- h. In the event the Contractor is not required to register for PPT they (and to the extent applicable, their Subcontractors) shall provide the Authority with a statement to this effect and, to the extent reasonably required by the Authority on reasonable notice, supporting evidence for that statement.
- i. The Contractor shall provide, on the Authority providing reasonable notice, any information that the Authority may require from the Contractor for the Authority to comply with any obligations it may have under the PPT Legislation.

14. Progress Monitoring, Meetings and Reports

The Contractor shall attend progress meetings and deliver reports at the frequency or times (if any) specified in the purchase order and shall ensure that its Contractor's representatives are suitably qualified to attend such meetings. Any additional meetings reasonably required shall be at no cost to the Authority.

15 Payment

- a. Payment for Contractor Deliverables will be made by electronic transfer and prior to submitting any claims for payment under clause 15.b the Contractor will be required to register their details (Supplier on-boarding) on the Contracting, Purchasing and Finance (CP&F) electronic procurement tool.
- b. Where the Contractor submits an invoice to the Authority in accordance with clause 15.a, the Authority will consider and verify that invoice without undue delay.
- c. The Authority shall pay the Contractor any sums due to be paid under the invoice before the end of the period of 30 days beginning with the day on which a valid and undisputed invoice is received by the Authority in respect of the sum or, if later, the day on which the payment falls due in accordance with the invoice.
- d. Where the Authority fails to comply with clause 15.b and there is undue delay in considering and verifying the invoice, the invoice shall be regarded as valid and undisputed for the purpose of clause 15.c after a reasonable time has passed.
- e. The approval for payment of a valid and undisputed invoice by the Authority shall not be construed as acceptance by the Authority of the performance of the Contractor's obligations nor as a waiver of their rights and remedies under the Contract.
- f. Without prejudice to any other right or remedy, the Authority reserves the right to set off any amount owing at any time from the Contractor to the Authority against any amount payable by the Authority to the Contractor under the Contract or under any other contract with the Authority, or with any other Government Department.

16 Dispute Resolution

- a. The Parties will attempt in good faith to resolve any dispute or claim arising out of or relating to the Contract through negotiations between the respective representatives of the Parties having authority to settle the matter, which attempts may include the use of any alternative dispute resolution procedure on which the Parties may agree.
- b. In the event that the dispute or claim is not resolved pursuant to clause 16.a the dispute shall be referred to arbitration and shall be governed by the Arbitration Act 1996. For the purposes of the arbitration, the arbitrator shall have the power to make provisional awards pursuant to Section 39 of the Arbitration Act 1996.
- c. For the avoidance of doubt it is agreed between the Parties that the arbitration process and anything said, done or produced in or in relation to the arbitration process (including any awards) shall be confidential as between the Parties, except as may be lawfully required in judicial proceedings relating to the arbitration or otherwise. No report relating to anything said, done or produced in or in relation to the

arbitration process may be made beyond the tribunal, the Parties, their legal representatives and any person necessary to the conduct of the proceedings, without the concurrence of all the Parties to the arbitration.

17 Termination for Corrupt Gifts

The Authority may terminate the Contract with immediate effect, without compensation, by giving written notice to the Contractor at any time after any of the following events:

- a. where the Authority becomes aware that the Contractor, its employees, agents or any Subcontractor (or anyone acting on its behalf or any of its or their employees):
 - (1) has offered, promised or given to any Crown servant any gift or financial or other advantage of any kind as an inducement or reward;
 - (2) commits or has committed any prohibited act or any offence under the Bribery Act 2010 with or without the knowledge or authority of the Contractor in relation to this Contract or any other contract with the Crown;
 - (3) has entered into this or any other contract with the Crown in connection with which commission has been paid or has been agreed to be paid by it or on its behalf, or to its knowledge, unless before the contract is made particulars of any such commission and of the terms and conditions of any such agreement for the payment thereof have been disclosed in writing to the Authority.
- b. In exercising its rights or remedies to terminate the Contract under clause 17.a. the Authority shall:
 - (1) act in a reasonable and proportionate manner having regard to such matters as the gravity of, and the identity of the person committing the prohibited act;
 - (2) give due consideration, where appropriate, to action other than termination of the Contract, including (without being limited to):
 - (a) requiring the Contractor to procure the termination of a Subcontract where the prohibited act is that of a Subcontractor or anyone acting on its or their behalf;
 - (b) requiring the Contractor to procure the dismissal of an employee (whether its own or that of a Subcontractor or anyone acting on its behalf) where the prohibited act is that of such employee.
- c. Where the Contract has been terminated under clause 17.a. the Authority shall be entitled to purchase substitute Contractor Deliverables from elsewhere and recover from the Contractor any costs and expenses incurred by the Authority in obtaining the Contractor Deliverables in substitution from another supplier.

18 Material Breach

In addition to any other rights and remedies, the Authority shall have the right to terminate the Contract (in whole or in part) with immediate effect by giving written notice to the Contractor where the Contractor is in material breach of their obligations under the Contract. Where the Authority has terminated the Contract under Clause 18 the Authority shall have the right to claim such damages as may have been sustained as a result of the Contractor's material breach of the Contract.

19 Insolvency

The Authority shall have the right to terminate the Contract if the Contractor is declared bankrupt or goes into liquidation or administration. This is without prejudice to any other rights or remedies under the Contract.

20 Limitation of Contractor's Liability

- a. Subject to clause 20.b the Contractor's liability to the Authority in connection with the Contract shall be limited to £5m (five million pounds).
- b. Nothing in the Contract shall operate to limit or exclude the Contractor's liability:
 - (1) for:
 - a. any liquidated damages (to the extent expressly provided for under the Contract);
 - b. any amount(s) which the Authority is entitled to claim, retain or withhold in relation to the Contractor's failure to perform or under-perform its obligations under the Contract, including service credits or other deductions (to the extent expressly provided for under the Contract);
 - c. any interest payable in relation to the late payment of any sum due and payable by the Contractor to the Authority under the Contract;
 - d. any amount payable by the Contractor to the Authority in relation to TUPE or pensions to the extent expressly provided for under this Contract;
 - (2) under Condition 7 of the Contract (Intellectual Property), and DEFCONs 91 or 638 (SC1) where specified in the Contract;
 - (3) for death or personal injury caused by the Contractor's negligence or the negligence of any of its personnel, agents, consultants or Subcontractors;
 - (4) for fraud, fraudulent misrepresentation, wilful misconduct or negligence;
 - (5) in relation to the termination of the Contract on the basis of abandonment by the Contractor;
 - (6) for breach of the terms implied by Section 2 of the Supply of Goods and Services Act 1982; or
 - (7) for any other liability which cannot be limited or excluded under general (including statute and common) law.
- c. The rights of the Authority under the Contract are in addition to, and not exclusive of, any rights or remedies provided by general (including statute and common) law.

21 Debarment List

- a. The Contractor shall immediately notify the Authority in writing if after the award of the Contract the Contractor, any Connected Person, or any Relevant Subcontractor is, or is likely to be, added to the Debarment List.
- b. On receipt of a written notification under clause 21.a, the Authority may request in writing from the Contractor information in respect of the Contractor (including information relating to any Connected Person where relevant) as it may reasonably require and in reasonable timescales as determined solely by the Authority.
- c. In addition to any other rights and remedies within the Contract, the Authority shall have the right to terminate the Contract where:
 - (1) the Contractor or a Connected Person of the Contractor has, since the award of the Contract been added to the Debarment List; and/or
 - (2) any Relevant Subcontractor or a Connected Person of the Relevant Subcontractor has, since the award of the Contract, been added to the Debarment List.
- d. Where the Authority intends to terminate pursuant to clause 21.c.(2) the Authority shall permit the Contractor, within 20 Business Days or as otherwise agreed between the parties, to either:
 - (1) replace the Relevant Subcontractor; or
 - (2) terminate their Subcontract with the Relevant Subcontractor.
- e. Where the Contractor, a Connected Person of the Contractor, a Relevant Subcontractor or a Connected Person of the Relevant Subcontractor has been added to the Debarment List, this will constitute a material breach of the Contract and termination shall be in accordance with Clause 18.
- f. The Contractor shall not Subcontract (and shall procure that none of their Subcontractors shall Subcontract) any part of the Contract to a supplier whose name appears on the Debarment List, without the prior written consent of the Authority. If the Contractor or any of their Subcontractors enter into a Subcontract with a supplier whose name appears on the Debarment List, without prior approval, this shall constitute a material breach of the Contract.

25 The special conditions that apply to this Contract are:

- 25.1 The Contractor shall, and shall procure that their Sub-contractors shall, notify the Authority in writing as soon as they become aware that:
 - a. the Contract Deliverables and/or Services contain any Russian/Belarusian products and/or services; or
 - b. that the Contractor or any part of the Contractor's supply chain is linked to entities who are constituted or organised under the law of Russia or Belarus, or under the control (full or partial) of a Russian/Belarusian person or entity. Please note that this does not include companies:
 - (1) registered in the UK or in a country with which the UK has a relevant international agreement providing reciprocal rights of access in the relevant field of public procurement; and/or
 - (2) which have significant business operations in the UK or in a country with which the UK has a relevant international agreement providing reciprocal rights of access in the relevant field of public procurement.
- 25.2 The Contractor shall, and shall procure that their Sub-contractors shall, include in such notification (or as soon as reasonably practicable following the notification) full details of the Russian products, services and/or entities and shall provide all reasonable assistance to the Authority to understand the nature, scope and impact of any such products, services and/or entities on the provision of the Contract Deliverables and/or Services.

25.3 The Authority shall consider the notification and information provided by the Contractor and advise the Contractor in writing of any concerns the Authority may have and/or any action which the Authority will require the Contractor to take. The Contractor shall be required to submit a response to the concerns raised by the Authority, including any plans to mitigate those concerns, within 14 business days of receipt of the Authority's written concerns, for the Authority's consideration.

25.4 The Contractor shall include provisions equivalent to those set out in this clause in all relevant Sub-contracts.

25.5 Security

The Contractor shall ensure that they arrange for any relevant security clearances (including BPSS or SC) to be in place when their personnel are required deliver any goods or services on Authority sites.

If Contractor personnel are required to access any classified information at MOD sites or on a MOD provided laptop, they must ensure that this information remains at those sites or on that laptop, unless otherwise agreed and detailed on a Security Aspects Letter. If Contractor personnel are working with any sensitive information they may be required to sign a Non-Disclosure Agreement and/or a Conflicts of Interest statement.

25.6 Publicity and Communications with the Media

The Contractor shall not and shall ensure that any employee or Subcontractor shall not communicate with representatives of the press, television, radio or other media on any matter concerning the Contract unless the Authority has given its prior written consent.

26 The processes that apply to this Contract are:

Contractor Representative

Name: Name

Email: Email

The Contractor shall notify the Authority if their representative changes to allow any requests from the Authority to be dealt with promptly.

Key Subcontractors

The Contractor has advised that the following key sub-contractors will be used in delivery of this contract:

Name	Work Undertaken	Approximate Value
Not Applicable		

The Contractor shall notify the Authority when they intend to remove any Key Subcontractors and/or before engaging any new Key Subcontractors.

If the Contractor is using a Sub-Contractor in order to meet any deliverables and they cease working with that Sub-Contractor, for any reason, the Contractor will still be responsible for meeting those deliverables.

Payment

Payments will only be made following delivery of goods or completion of services.

In relation to previous clauses regarding payment, Supplier on-boarding for CP&F shall include completing the full MOD registration process in Exostar and an invoice shall only be valid if it has been submitted for the correct amount and tax treatment in Exostar.

The Contractor shall confirm the amount they consider to be due for payment, for any month or period, within 31 calendar days of the end of that month or period and shall submit invoices through CP&F/Exostar no later than 7 calendar days after that payment amount has been confirmed, unless otherwise agreed. All final amounts due under the contract must be confirmed by the Contractor within 31 calendar days of the end date of the contract, unless otherwise agreed.

The Contractor shall provide a full breakdown of any amounts invoiced, to show how the invoices have been calculated in accordance with the agreed prices, should the Authority request this at any time.

Impediments

The Contractor shall notify the Authority as soon as they become aware of any circumstance which will impact on their ability to deliver any of the requirements or meet any of the stated timescales.

Tender Proposal

Requirements to be delivered in accordance with this contract and, where it does not conflict with this contract, in line with proposal included in tender.

Delivery Management

A date for delivery of goods or completion of each service will be stated in the contract or agreed between the Authority and the Contractor. Where this is not met by the Contractor, goods are not delivered or services are not completed, until after any stated or agreed date (unless the Authority accepts that circumstances were outside of the control of the Contractor), the Authority reserves the right to deduct 1% of the payment due for those goods or services for each week or portion of a week that passes before goods are delivered the services are completed.

Where the Contractor is required to provide information, reports or attend meetings in order to support delivery and management of the contract but does not meet those requirements by any required dates (unless the Authority accepts that circumstances were

OFFICIAL-SENSITIVE COMMERCIAL

outside of the control of the Contractor), the Authority reserves the right to deduct 1% of the next payment that becomes due for each week or portion of a week that passes before the Contractor meets those requirements.

If, at any time, any of the goods or services provided under the Contract do not meet the required delivery timescales, standards or quality, then the Authority will not be obligated to buy any more goods or services unless it is satisfied that the required timescale, standard or quality will be met. The Authority shall be entitled to remove those goods or services from the Contract. Where this occurs on multiple occasions the Authority shall be entitled to terminate the contract as Material Breach.

Where the Contractor is unable to deliver the required goods/services within agreed timescales, the Authority shall be entitled to procure those goods/services from other providers and shall be entitled to cancel any orders that have been made with the Contractor with no costs or fees incurred by the Authority in relation to those goods/services that the Contractor was unable to provide on time.

If the Authority is able to procure goods/services, which are similar to those listed in this contract, at significantly lower prices than those listed in this Contract then the Authority shall be entitled to ask the Contractor to provide a reduced price and/or shall be entitled to procure those goods/services from other providers.

If, in order to deliver the goods/services, the Contractor sources anything through their supply chain subcontractors they shall not charge any additional mark up, on those costs they have paid, when calculating prices to be charged to the Authority.

Schedule 4 - Statement of Requirements

Introduction

Requirement is to purchase qty 2 Mobile Composite Environmental Repair Facilities (MCERFs) for 1710 Naval Air Squadron (NAS)

Requirement & Deliverables

1. GENERAL REQUIREMENT

1.1 Suppliers shall demonstrate that they have a Quality Management System, equivalent to BS EN ISO9001, appropriate for the products or services being supplied.

1.2 To supply QTY 2 Inflatable MCERFS which shall be adjoined to provide one larger facility enabling composite airframe repairs to be conducted ashore and on RN Ships afloat.

1.3 The MCERF's offered by tender applicants should be sustainable through future purchases of 'off the shelf' parts and spares/replacements.

1.4 A list of consumable parts for the maintenance and operation of the MCERF is to be provided.

1.5 A Certificate of Conformity is to be provided.

2. DETAILED TECHNICAL REQUIREMENTS

2.1 The MCERF's should be supplied to the dimensions at Annex A. All dimensions should be usable internal dimensions, with air beams on the exterior of the tent to aid in cleaning operations.

2.2 Each MCERF must have openable front and rear doors with a central Velcro join to allow for partial or full opening, with the option of adding additional MCERF's in the future.

2.3 The individual MCERF must be able to operate independently but also become adjoined to provide one larger facility.

2.4 The individual MCERF should include a clean room attached to the facility for access

and donning and dothing of PPE.

2.5 The MCERF should be powered from a standard UK mains power supply (230V, 50Hz) with the power cable supplied.

2.6 The MCERF's must be supplied in and transportable within a palletised crate with a footprint not larger than 1.0m by 1.25m whilst also being suitable of air transportation.

2.7 The MCERF's must incorporate an air filtration system for the following:

2.7.1 Harmful Gases produced during composite bonding applications, such as:

- a. Diisocyanates.
- b. Xylene.
- c. Toluene.
- d. Acetone.
- e. Miscellaneous Volatile Organic Carbons (VOCs).
- f. Bisphenol A.
- g. Acrylates.

2.7.2 HEPA standard extraction for dust particles such as:

- a. Hexavalent chromium.
- b. Polymeric materials (acrylic, polyurethane, epoxide, aramid).
- c. Dust of metal oxides (aluminium, magnesium, titanium, iron and traces of copper, cadmium, nickel, zinc and lithium).
- d. Metallic dust.
- e. Dust of carbon, aramid & glass fibres.

2.7.3 All expended air to be 'clean' and non-hazardous to personnel in the vicinity of the tent.

2.8 The MCERF's shall be capable of operating within the following environmental conditions:

- a. Ambient temperature range of -30°C to +50°C.
- b. Suitable of withstanding Windspeeds of up to 15 Knots.
- c. Suitable for light rain.

2.9 The MCERF's must incorporate an Environmental Control System maintaining internal conditions of:

- a. Temperature 20°C +/- 3.
- b. Humidity <60%.

2.10 Must be capable of safely moving by hand once inflated, MCERF's must have suitable attached handles to facilitate this.

2.11 Must be able to be erected by a maximum of 3 persons, using guidelines at strong points with supplied instructions.

2.12 The design must incorporate strong points to enable the securing of the facility whilst embarked on RN Ships.

2.13 The design must incorporate removable internal ground sheets.

3. ACCESSORIES

3.1 The MCRF's must be supplied with the following accessories (TOTAL QTY):

QTY 2 - On-Site repair kits.

QTY 2 – Electric inflation blowers.
