

NOTES

Drawings to be printed in Colour

Planting locations are indicative and are to only be used once it has been confirmed excavations will not affect underground services.

Contractor to refer to the utility plans provided and locate services on site before excavation occurs. Tree positions to be adjusted as necessary to comply with the requirements of HSG47 Avoiding Danger from Underground Services.

Please refer to drawing MA-15-D&S-SW-002-03 - Tree Installation Details - 1.8m Triple Stake
